The Dance Card:

The Dance Card Ann Reichardt, 2014-07-29 Without a hint of warning Ann Reichardt's husband betrayed her after thirty years of marriage He told her he was no longer over her announced he was leaving and wanted a divorce The unceremonious and unexpected end of her marriage left her devastated and blindsided and was a rude awakening Her dream of eternal marital bliss was over Instead of hanging her head low at age 56 Ann jumped into the deep end of the cyberspace dating pool Her quest to find love after divorce takes her on an e

The Dance Card Shay Lawless, 2016-06 Journey Bacon has grown up in a quiet small town in the American heartland convinced her life is already written working at the local bank and marrying the same controlling man she's dated since high school But when a friend gives her an old dance card with a mysterious past and a promise she must keep everything changes The card leads Journey toward an unexpected gift a voice made for singing country music and a path back to the last person she ever thought she'd love the boy she grew up with and once swore she'd never speak to again As sparks fly between them secrets surface and the small town gossip mill hums louder than a jukebox on Saturday night Journey must decide if she'll keep living the safe life she's always known or follow the song in her heart toward love freedom and the stage lights of her dreams A small town enemies to lovers country romance filled with second chances southern charm mystery and the sweet twang of heartache and hope perfect for readers who enjoy Nashville style romance women's fiction with music and emotional stories of finding yourself *The Dance Card* John Feegel, 1981-01-01

The New Dance Card Ann Reichardt, 2017-05-09 When Love threw Annie a curve ball and threatened to turn her life into a tailspin at the age of 56 she stepped up to the delicious plate of dating and began to hit it out of the park After her husband left her Annie was initially confused about what went wrong in her 30 year marriage She thought she was alone and unique but soon found out after re-entering the dating world there were many lonely hearts out there looking for love again Over eight years Ann jumped into the online dating pool Her experiences are chronicled in her first book *The Dance Card Looking For Love After Divorce* It speaks to the human psyche regarding relationships It is a story of midlife self discovery and redefining ourselves after a challenge in our life In *The New Dance Card Looking For Love Online* Annie continues her quest in finding that perfect partner for the last third of her life With a new perspective she is throwing strike after strike at would be lover after lover date after date she is kissing and telling Can you handle the do's and don'ts of the second installment From the silliness of Mr Jitterbug the heartache of Mr Waltz or the scamming of Mr Hustle to the exciting and sensual Mr Ballet time after time Annie's failed attempts to find her perfect match online this sixty something writer athlete and former nurse might be ready to be swept off of her feet by a man with a radically different background whom she crossed off her dance card once before Will it be Mr Tango the narcissistic control freak or Mr Rumba the sexually addicted marathon junkie with a high libido who was obsessed with sexting or perhaps Mr Jitterbug the high wire act uninhibited with unpredictable moves or maybe Mr Waltz the charming younger man who charmed the pants off of

Annie with his smooth rhetoric and romantic moves but held secrets that were soon revealed These and more online dating episodes will take you as they did Annie on a wild roller coaster of emotions outlandish thrills sprinkled with laughter

Main Street Stephen W. Hoag Ph.D.,2022-09-08 This powerful romance novel once read will remain in your soul forever as the characters set within this tale of the age of innocence will steal a piece of your heart Each of us is a novel unto ourselves with endless chapters of triumph and tragedy With each incidental instance that we are touched by someone in life sometimes with nothing more than a walkthrough our individual saga is changed and the expanse of our frame of reference is altered The story about to unfold comes to life on a street in any town in America a tableau vivant a living picture where a group of young people begins to define themselves in that period of time known as the high school years There are many clinical definitions and technical labels for this wisp of one's lifetime but in the reminiscences within most of us the high school years fill our memory luggage The characters in this narrative are amalgamations of many real people with names that might remind or mislead the reader of someone they remember all too well Although this romantically woven fable is fictitious each twist and turn could and probably did occur in your town on your Main Street and in your life For this fable of romance and revelation we peer into the hearts and minds of a few dozen high school students each seeking moments to fill their growing vessels of youthful passion and desire while discovering their levels of giving and kindness With all the fleeting lessons in language arts math science and history drilled and demonstrated during the secondary school years what endures as this story will elucidate are the forever feelings and relationships that grow strong never to be shaken In this tale young hearts will spring forth like a babbling stream and rekindle your memories of times long since evaporated but impossible to exfoliate on the landscape of your heart
