

The background of the poster is a dark, atmospheric illustration of a large, multi-masted sailing ship, possibly a galleon, navigating through a stormy sea. The ship's sails are partially set, and its hull is dark. The sky is filled with dark, swirling clouds, and the sea is depicted with white-capped waves. The overall tone is mysterious and ominous, fitting for a horror movie.

**The Phantom Ship** Frederick Marryat, 1874 **The Phantom Ship** Frederick Marryat, 2016-02-03 Chapter I About the middle of the seventeenth century in the outskirts of the small but fortified town of Terneuse situated on the right bank of the Scheldt and nearly opposite to the island of Walcheren there was to be seen in advance of a few other even more humble tenements a small but neat cottage built according to the prevailing taste of the time The outside front had some years back been painted of a deep orange the windows and shutters of a vivid green To about three feet above the surface of the earth it was faced alternately with blue and white tiles A small garden of about two rods of our measure of land surrounded the edifice and this little plot was flanked by a low hedge of privet and encircled by a moat full of water too wide to be leaped with ease Over that part of the moat which was in front of the cottage door was a small and narrow bridge with ornamented iron hand rails for the security of the passenger But the colours originally so bright with which the cottage had been decorated had now faded symptoms of rapid decay were evident in the window sills the door jambs and other wooden parts of the tenement and many of the white and blue tiles had fallen down and had not been replaced That much care had once been bestowed upon this little tenement was as evident as that latterly it had been equally neglected

The Phantom Ship Captain Frederick Marryat, Marryat, 2012-09-05 THE PHANTOM SHIP is the most notable of the three novels constructed by Marryat on an historic basis and like its predecessor in the same category Snarleyhow depends largely for its interest on the element of diablerie which is very skilfully manipulated Here however the supernatural appearances are never explained away and the ghostly agencies are introduced in the spirit of serious if somewhat melodramatic romance Marryat's personal experience enabled him with little research to produce a life like picture of old Dutch seamanship and his powers in racy narrative have transformed the Vanderdecken legend into a stirring tale of terror The plot cannot be called original but it is more carefully worked out and from the nature of the material at hand more effective than most of Marryat's own He has put life into it moreover by the creation of some genuine characters designed for nobler ends than to move the machinery

The Phantom Ship (1839), by Frederick Marryat (Gothic Novel ) Frederick Marryat, 2016-06-12 The Phantom Ship 1839 is a Gothic novel by Frederick Marryat which explores the legend of the Flying Dutchman and in one chapter features a werewolf The plot concerns the quest of Philip Vanderdecken of Terneuzen in the Netherlands to save his father who has been doomed to sail for eternity as the Captain of the Bewitched Phantom Ship after he made a rash oath to heaven and slew one of the crew whilst attempting to sail round the Cape of Good Hope Vanderdecken learns upon his mother's death that there exists a way by which his father's disturbed spirit may be laid to rest and vows to live at sea until he has spoken with his father face to face and accomplished this purpose Vanderdecken sails around the world in a number of ships in the employ of the Dutch East India Company so that he can redeem his father by presenting him with the relic of the Holy Cross he wears round his neck His quest however brings him into conflict with earthly and unearthly powers as the sight of the Flying Dutchman brings doom to all who encounter her Themes The legend of the Flying Dutchman forms the background to the story and makes regular appearances throughout the novel while Marryat adds many other supernatural details He introduces as the

heroine Amine the daughter of one Mynheer Poots a miser Having Arab blood in her veins she possesses some of the secrets of Arabian magic but her incautious use of her magic arts brings her into the dungeons of the Inquisition at Goa Likewise there is Schifter the demon pilot and Krantz with a tale of horrors in the Harz mountains atrocious monks and ghosts that will not be drowned The reviews for the novel were generally poor The Athenaeum thought that the work falls sadly short of the racy marine stories by which the author won his first fame In particular it noted that Marryat dashes off scenes of portent and terror with the same familiar and slip shod style and the result is a feebleness of effect not to be found in his other novels Likewise in referring to the book The Dublin Review thought that the falling off in his last novel is very considerable and stated that a string of extravagant adventures carelessly put together and heavily told deaden curiosity the Flying Dutchman makes his appearance as regularly as a packetboat and becomes at last almost as tiresome In recent times S T Joshi has called the novel an aesthetic disaster appallingly prolix and written in a stiff cumbersome style that reads like a bad translation from a foreign language

*The Mystery of the Phantom Ship* Al Eden,2001 Two young boys Adam and Gord and their curious and charming little sister Molly make it their mission to

solve the mystery of the phantom ship while visiting their aunt and uncle's farm over Easter break. The children overhear conversations around the mystery and try to solve why it is that everyone is so afraid of the phantom ship. What role does old Ben, the one-eyed crow, play? And how will the mysterious black cat help find clues for the children's search of the phantom ship? Will the children ever uncover the mystery that remains about the phantom ship, and will they witness the terrifying and unnerving encounter that has left so many locals haunted? Why does the burning phantom ship rise from the depths of Chaleur Bay? Why do onlookers see fireballs flying through the sky from the burning three-masted ship and hear eerie screams echoing across the bay? Why can no one find the remains of the burning pirate ship? These are all questions that the three children in the story try to solve. The phantom ship is very real. Thousands of people who live on both sides of Chaleur Bay, lying between Quebec's Gaspé Coast and Bathurst, New Brunswick, have witnessed this strange phenomenon and have been haunted by it ever since.
