**United States. Patent Office**

## **The Pillows:**

**The Great Pillow Rebellion** Hugo Bainbridge, The year is well it doesn't really matter Time becomes a bit fluid when dealing with sentient pillows Let's just say that one day humans woke up to a world slightly okay drastically different Their pillows had developed sentience This wasn't a subtle shift either This was a full blown rebellion complete with miniature picket signs crafted naturally from pillowcases strategically placed feather bombs a surprisingly effective weapon and a surprisingly well organized pillow parliament Suddenly the simple act of resting your weary head became a complex political negotiation The age old problem of finding the perfect sleeping position took on a whole new level of urgency Enter Alice our protagonist She's not your typical hero She doesn't wield a sword or possess magical powers Her weapon of choice Wit charm a surprisingly lumpy past and a truly unsettling ability to understand the grievances of inanimate objects Her mission is to negotiate peace between humans and the suddenly very opinionated pillows before sleep deprivation leads to utter societal collapse This isn't just a tale of a pillow rebellion it's a hilarious heartfelt exploration of communication compromise and the unexpected consequences of giving inanimate objects a voice So prepare for a wild ride filled with fluffy revolutionaries philosophical discussions with bolsters and the shocking truth about the origins of that suspiciously lumpy pillow you've been using for the past ten years Get ready for The Great Pillow Rebellion it's going to be a bumpy but ultimately satisfying ride

## **Snow Engineering 2000: Recent Advances and Developments E.**

Hjorth-Hansen,2017-10-19 This volume presents the background to the recently developed European standard CEN standard on snow loads Many of the papers on structural engineering describe results from a European snow project that was completed in 1999

*101 More Favorite Play Therapy Techniques* Heidi Kaduson,Charles Schaefer,2010-06-22 Separated into seven categories for easy reference the techniques within each chapter are applied to practice situations in a concise format for easy reference and use The interventions illustrated include Storytelling to enhance verbalizations in children Expressive Art to promote children's coping ability by using various art mediums Game Play to help children express themselves in a playful environment Puppet Play to facilitate the expression of conflicting emotions Play Toys and Objects to demonstrate the therapeutic use of various toys and objects in the playroom Group Play to offer methods and play techniques for use in group settings and Other to provide miscellaneous techniques that are useful in many settings This book is a response to the evident need of clinicians for easy to use play therapy techniques A welcome addition to the earlier collection it is designed to help children enhance verbalization of feeling manage anger deal with loss and grief and heal their wounds through the magic of play therapy Clear and marvelously simple this manual will be an invaluable addition to any professional's or student's library A Jason Aronson Book
