## **The Planet Of Death:**

**Planet of Death** Robert Silverberg, 2011-09-29 Earthman Roy Crawford is framed for murder on the planet Velliran. He has two choices: He must escape from the planet within three days or go to prison for life. But the only spaceship leaving the planet within three days belongs to the Exploration Corps. This is a group of scientists which investigates new planets. They are about to leave for World Seven on the Star System Z 16. With help from his friends, the dazed Crawford finds himself in the ship. The scientists of course think he is one of them. But World Seven is no escape for Roy. It is a planet of death. The team of scientists find themselves in a world where even the trees are killers. And one more killer is on the spaceship: the real murderer who framed Crawford. Space Danger - The Deadly Planet Of Death Doug Strider, 2013-02-01 Join the Space Navy. Life expectancy is debatable but at least the perks are minimal. The crew of HMSS Monstro have been given a mission: a very BIG mission. If they could only get around to it then the galaxy might be a safer place to live. Safer and quite importantly still existing. **The Planets of Death** Michael Collins, 1970 Their world was dead and the few survivors of Menelaus XII 14 lived out a dazed existence of shock and bitterness. But they had a dream that one day their planet would live again. The government of the United Galaxy didn't see it their way. The dead world was a very profitable resource for exploitation. The Menelaens had to go outside the law for help. They found it in Red Stone of the half-outlaw Free Companies mercenaries of space warfare. **The Planet in Waiting for the Last Message** Ionel Plesa, 2012-11-12 The small differences of interpretation that unjustifiably separate the Christian denominations sometimes leading to extremely grave consequences in relationships between believers who lack spiritual maturity can be cause for worry. The author reveals the planet chained with a gold chain symbol of wealth and corruption together with the power of sin and death through the Devil's deceit and the Lords provision for our redemption. *The Planet of Death* Fred Hoyle, Geoffrey Hoyle, 1982-01-01 *Planet of Death* Robert Silverberg, 2010 **Science Fiction and Fantasy Literature, Vol 1** R.
