No Ordinary Family Roberta A. Jackson, 2013-11-11 No Ordinary Family is a story a true story about young girls that came together and played softball as a team called the Arkansas Playmakers I had a fellow author read an early copy before it was sent to the publisher I asked him to look it over and then get back to me with ways the manuscript could be improved He had many good ideas and I hope I was able to implement them to his satisfaction However he had one question Were these girls real Yes Their names too he asked Yes The story is real and unlike Dragnet the names were not changed I did not know what I was getting myself into when I chose this assignment but I hope everyone that reads this book will come to understand that not everything has to be a soap opera or a world of drama queens There are parents that coach hard but remain parents and see the world as one of many colors not just black and white where winning is everything Fortunately for the Arkansas Playmakers the parents and the girls have come together to form a unique family that lives loves plays and enjoys life together This book is their story It is a story of a brother and a sister girls that came together to form a team but eventually became sisters first and foremost the bond between softball fathers and their softball daughters and what makes a team a championship team on and off the field It is about how a team became part of a small rural community in the southeastern corner of Arkansas I hope those that read this book find it enjoyable and worth your time and effort
