The Plum Tree:

The Plum Tree Edmund Marion Ashe,2018-08-07 *Under the Plum Tree* Marjorie Giles,2010-09 Earth is a place of education on physical experience These teachings of Chung Fu offer guidelines for finding one's own higher self Under the Plum Tree originated from trance teachings by a Fourth Century BPE colleague of Chuang Tze at private homes internationally between 1974 1977 The sessions described the bases for present day tao disciplines such as tai chi feng shui and martial arts Students at the readings tended to be spiritually evolved and were experiencing their final earthly reincarnations The spiritual self is the strongest essence within your world Your higher self has had experience of everything upon your plane In one way or another each of you experienced everything that you hear touch taste or smell before you could become your physical body You have been sound you have been brass and you have been tree or cat or dog You have been buffalo or bird Not in the immediate past one or two lifetimes but maybe 50 000 lifetimes ago You have within your higher self the electro magnetic communicating system of all living things and all energy in your plane When you project a visual element with your higher self it includes empathy with the birds with the elements with all things because it has been all things This is important You are the grass You are the tree You are the air the fire the water and the earth You your body is water It is earth it has minerals and chemicals within it It is air for it cannot live without breathing It is fire for it is warmth and without the sun it could not live You are all things but in the ignorance of your subconscious mind you let the water the air the fire and the earth rule your life You let every situation with people with plant and flower organize and project your actions You let the automobile tell you what to do but it is an element mineral metal not your higher self Spiritual projections are not utopian ideas They are practical tools for individual control of your life He who projects forward and allows the spiritual self from the higher force to go into the world daily weekly or monthly or even to a meeting or business situation controls his life Only beauty will come forward for the subconscious does not rule when a spiritual being is projected Ah to smell the color to hear the plant to feel sound to taste music to see sound Each of the senses interrelates upon a scale The ancient masters those whom you know as myths Odin or Isis Vishnu or Zeus were great masters who taught the inner way not the outer Your higher self holds all your answers can solve all your problems and can do for you whatever you wish
