The Countenance Of The Father:

The Countenance of the Father Adrienne von Speyr, 2012-02-28 A twentieth century mystic's meditative reflection on the role of God the Father in eternity and in time The book brings the reader a greater awareness of the First Person of the Trinity in eternity and the interaction of the Three Persons Then the reader is helped to consider the role of the Father in creation and throughout salvation history Finally we are led to contemplate the Eternal Life toward which the Father's love is drawing us A very approachable and beautiful work Adrienne closes her prayerful and meditative exploration with Thus by virtue of the Son's sacrifice and his having brought the world home again the Father is able to regard men as his eternal creatures Eternal life is not situated in heaven far from man's grasp something self enclosed it is the life filled Word in which men have a share because they are capable of taking it in And that capability is itself grace **A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West: (See v.24)** ,1857 **A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West** ,1857 **The Betrothed** ,1879

Ante-Nicene Fathers: Translations of the Writings of the Fathers Down to A.D. 325, Volume 8 Alexander Roberts, James Donaldson, A. Cleveland Coxe, 2022-08-16 Philip Schaff's classic work colloquially known as Early Church Fathers is an invaluable resource filled with the primary documents and early theological building blocks for the Christian Church Comprised of 38 volumes it is broken into three parts the Ante Nicene Fathers and Nicene and Post Nicene Fathers First and Second Series *The Ante-Nicene Fathers* Reverend Alexander Roberts, 2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume VIII of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find a collection of ancient writings including The Testaments of the Twelve Patriarchs Excerpts of Theodotus Two Epistles Concerning Virginité the writings of Pseudo Clement the Apocryphal books of the New Testament The Decretals the memoirs of Edessa and various fragments of writings from the second and third centuries Many of the authors of these works are unknown but the works themselves have been greatly influential Expositions on the Book of Psalms Saint Augustine (of Hippo), 1885 The Nag Hammadi Scriptures Marvin W. Meyer, James M. Robinson, 2010-09-14 The Nag Hammadi Scriptures edited by Marvin Meyer is the most complete up to date one volume English language edition of the renowned library of Gnostic manuscripts discovered in Egypt in 1945 which rivaled the Dead Sea Scrolls find in significance It includes the Gospel of Thomas the Gospel of Mary and the recently discovered Gospel of Judas as well as other Gnostic

gospels and sacred texts This volume also includes introductory essays notes tables glossary index etc to help the reader understand the context and contemporary significance of these texts which have shed new light on early Christianity and ancient thought The compilation of ancient manuscripts that constitute The Nag Hammadi Scriptures is a discovery that challenges everything we thought we knew about the early Christian church ancient Judaism and Greco Roman religions
