**Codes of Being Rich** Abit Gülistan ,2024-01-18

Being rich is the right of everyone who wants to be rich However there are huge mistakes about being rich in our country Generally people think that the way to become rich is through your father your father in law or concepts called luck and opportunity What are you doing to get rich When I ask they say I don t have the means to become rich I don t earn enough to invest so there is no money left to invest after expenses If you do not receive your share of the national income per capita in the country you live in this is primarily your father s fault and then your fault But your crime is twice as much as your father s Because your father did not understand did not hear or taught him the codes of being rich in his time However today it is possible to access all information from anywhere in the world with a cheap phone accessing the internet It is said that to be rich your grandfather your father and you must own a business This is partly true but largely false Someone who receives a salary can easily open the door to becoming rich with correct financial management and investment Apart from the salary of course one can become rich in a shorter time by establishing a business investing financial management and trading While you can become rich within 3 years by starting a business depending on the sector this time is around 7 years with a salary
