## **The Cowboy Way:**

*The Cowboy Way* Paul H Carlson, 2006-11-15 The lives of American cowboys have been both real and mythic. This work explores cowboy music, dress, humour, films and literature in sixteen essays and a bibliography. These essays demonstrate that the American cowboy is a knight of the road who with a large hat, tall boots and a big gun rode into legend and into the history books.

*The Cowboy's Way* Kathie DeNosky, 2015-01-06 When a cowboy rescues a single mom, he promises to do things the right way his way in this story from USA TODAY bestselling author Kathie DeNosky. Rancher T J Malloy doesn't think twice before saving a woman and her baby from raging floodwaters and taking them to his ranch. So what if it's Heather Wilson, the neighbor he's feuded with for months. Heather also happens to be heart-stoppingly beautiful and in desperate need of the kind of help only he can give. As the floodwaters rise, so does their passion and T J will do whatever it takes to get Heather to stay on his terms.

*The Cowboy Way* Robert J. Higgs, Ralph L. Turner, 1999-10-30 Analyzing a sample of 25 films including such notables as *Red River*, *Shane*, *Unforgiven*, *The Wild Bunch*, *Wyatt Earp* and *Dances with Wolves*, this work examines traditional leadership theories as reflected in the western film genre. The western vividly portrays a variety of leadership styles, motifs and characteristics giving perspective on several traditional leadership theories. The different leadership styles the films exhibit are categorized and described through content analysis. Some of the concepts and underlying theories and styles reveal a universal quality about leadership that transcends theoretical research. As a cultural study that traces the relative popularity of leadership styles, this work provides new insight toward studying leadership effectiveness. Through the lens of leadership theory, this unique look at the western films from 1945 to 1995 and the American culture they depict will appeal not only to leadership film and popular culture scholars but to leaders in business, government and the military.

Chapters group films by their similar depiction of leadership styles. Within each chapter, the films are separately described, then each is explored within the context of leadership theory. Films prior to 1980 are included on the basis of their critical or commercial success, while films after 1980 are included on the basis of their box office success or their individual portrayals of gender or cultural leadership.

**It's the Cowboy Way!** Don Cusic, 2021-10-21 It's the Cowboy Way tells the full story of the amazing true adventures of group members Ranger Doug, Woody, Paul, Too Slim and Joey, The CowPolka King, for the first time from their first gigs at Herr Harry's Phranks N Steins in Nashville to their rise to the top of the Grammy heap. Since 1977, *Riders In The Sky* has faithfully tended a musical tradition kindled by singing cowboy legends such as Gene Autry and the Sons Of The Pioneers. Throughout its long career, the group has branded the genre with its own mark, crafting a well balanced mix of both classic and original western songs, smooth harmony, hot licks and comedy. Over the past quarter of a century and more than 4,500 shows, 290 national TV appearances, 203 public radio shows, nearly 700 Grand Ole Opry appearances, 2.3 million miles on the road, two Grammy Awards, three television series and 31 albums down the trail, a group that began with a commitment to carry on an American musical tradition has itself become a national treasure.
