Recovery and Transgression Kornelia Freitag,2015-09-04 There is no poetry without memory Recovery and Transgression Memory in American Poetry is devoted to the ways in which poetic texts shape and are shaped by personal collective and cultural memory It looks at the manifold and often transgressive techniques through which the past is recovered and repurposed in poetry T S Eliot s The Waste Land Susan Howe s THIS THAT Lyn Hejinian s Writing Is an Aid to Memory John Tranter s The Anaglyph Amiri Baraka s Somebody Blew Up America and Amy Clampitt s Nothing Stays Put are only some of the texts discussed in this volume by a group of international poetry experts They specifically focus on the effects of the cultural interaction mixture translation and hybridization of memory of in and mediated by poetry Poetic memory as becomes strikingly clear may be founded on the past but has everything to do with the cultural present of poets and readers and with their hopes and fears for the future

Plays and Poems William Shakespeare,1897 **The Burden of Female Talent** Ronald Egan,2020-10-26 Widely considered the preeminent Chinese woman poet Li Qingzhao 1084 1150s occupies a crucial place in China s literary and cultural history She stands out as the great exception to the rule that the first rank poets in premodern China were male But at what price to our understanding of her as a writer does this distinction come The Burden of Female Talent challenges conventional modes of thinking about Li Qingzhao as a devoted but often lonely wife and later a forlorn widow By examining manipulations of her image by the critical tradition in later imperial times and into the twentieth century Ronald C Egan brings to light the ways in which critics sought to accommodate her to cultural norms molding her talent to make it compatible with ideals of womanly conduct and identity Contested images of Li including a heated controversy concerning her remarriage and its implications for her devotion to her first husband reveal the difficulty literary culture has had in coping with this woman of extraordinary conduct and ability The study ends with a reappraisal of Li s poetry freed from the autobiographical and reductive readings that were traditionally imposed on it and which remain standard even today
