Edgar Allan Poe Arthur Hobson Quinn,1997-11-25 Renowned as the creator of the detective story and a master of horror the author of *The Red Mask of Death* *The Black Cat* and *The Murders of the Rue Morgue* Edgar Allan Poe seems to have derived his success from suffering and to have suffered from his success *The Raven* and *The Tell Tale Heart* have been read as signs of his personal obsessions and *The Fall of the House of Usher* and *The Descent into the Maelstrom* as symptoms of his own mental collapse Biographers have seldom resisted the opportunities to confuse the pathologies in the stories with the events in Poe s life Against this tide of fancy guesses and amateur psychologizing Arthur Hobson Quinn s biography devotes itself meticulously to facts Based on exhaustive research in the Poe family archive Quinn extracts the life from the legend and describes how they both were distorted by prior biographies

Preiser, Edward White, Harvey Rabinowitz, 2015-07-24 Post occupancy evaluation focusing on building's occupants and their needs provides insight into the consequences of past design decisions and forms a sound basis for creating better buildings in the future This book first published in 1988 includes a review of the evolution of the field a conceptual framework for POE and pragmatic information on planning conducting and reporting POEs Post Occupancy Evaluation categorizes the approaches to building evaluation by describing the three levels of POE effort indicative investigative and diagnostic each differing in terms of time resources and personnel needed In its scope Post Occupancy Evaluation is both comprehensive and specific professionals in the design and planning disciplines will find it an invaluable resource for understanding the theory behind POEs and the procedures needed to put the theory into practice

The School Journal, 1899 *The Poe Cult and Other Poe Papers* Eugene L. Didier, 2014-03-30 This Is A New Release Of The Original 1909 Edition

Notes and Queries, 1876 *The Poe Cult and Other Poe Papers* Eugene L. Didier, 2015-08-12 Some notes by the author published in The Bookman Vol 15 1903 One of the most astonishing facts in the literary annals of America if not of the world is the amazing rise of what may be called the Poe cult The unhappy master of The Raven was the victim of a fate more strange more romantic more tragical than poet ever imagined or novelist ever penned His life was one of suffering sorrow and song he died a wretched death in the charity ward of a public hospital Unwept unhonoured unsung His funeral was pathetic in its meagre attendance its scant ceremony and absence of mourning Only eight persons were present at the funeral of one of the immortals of earth At the time of this humble funeral on October 8 1849 no one could have dreamed that within twenty five

years Edgar Poe would be regarded by the cultured people of all lands as the most unique and remarkable genius in American literature Equally astonishing is the fact that many persons who were old enough to remember Poe are still alive when his letters possess a market value five times as great as that of Byron s twice as great as Shelley s a hundred times as great as Bryant s Longfellow s Lowell s and other contemporaneous American authors Still more remarkable is the fact that the manuscripts of those poems for which he received trifling sums have become as precious as the Sibylline leaves and are worth their weight in gold If the original manuscript of The Raven were still in existence American millionaires would contend for its possession and 10 000 would be gladly paid for the inestimable treasure Yet for this poem which has brought more honour upon American literature than any other single American poem and established Poe s fame as the most original of American poets a poem which stands alone in poetry as the Venus in sculpture and The Transfiguration in painting for this wonderful poem whose weird and mysterious fascination has thrilled the world Poe was paid only ten dollars a sum which is now paid for an ordinary love story in a weekly newspaper Upon the rare occasions when the first editions of Poe s poems have been offered for sale at auction the excitement has run high the bidding has been spirited and the prices have broken the record The first edition of Tamerlane and Other Poems Boston 1827 was never offered at public auction until the spring of 1892 In fact for sixty years one copy only and that an imperfect one was known to exist and that was in the locked room of the British Museum there to stay for evermore So when it was announced that a second copy of the precious volume was to be sold at auction the excitement among wealthy collectors was great As no copy had ever been sold there was no record price The bidding was high and rapid 500 750 1006 1500 1750 finally the tiny paper volume of forty pages whose intrinsic value was about ten cents was knocked down for the enormous sum of 1875 The purchaser proud of his prize sent it to Paris and had it bound in mosaic at a cost of 300 In the spring of 1894 another copy of the first edition of Tamerlane was discovered by an obscure young lawyer in an obscure town in Vermont The finding of a third copy naturally lessened the value of the work as a unique or rare book and when it was offered to several persons who are interested in literary curios no offer above 1200 could be secured for it What became of that copy of Tamerlane I have no means of knowing In the autumn of 1900 a copy was sold at auction bringing the record price of 2050 The immense price paid for an exemplar of the first edition of Tamerlane shows the remarkable advance that has taken place in the value of Poeana during the last ten years But all records were broken in this respect at the sale of Mr Frederick William French s library on the 23d 24th and 25th of April 1901
