**Dear Lord,**

**Don't let me ask only for myself,**

**For problems solved and better health,**

**Nor ask only for kin and friends,**

**With minor ills and moral trends,**

**But make me think in global terms,**

**Where drought kills and injustice burns,**

**Please tend to their greater needs first,**

**Help heal their wounds and quench their thirst,**

**My patient faith can wait till then,**

**My prayer sent -**

**Goodnight -**

**Amen.**

## **The Poetry Of Prayer:**

*The Poetry of Prayer* Roger Nash,1994    Poetry and Prayer Anna Jensen,2020-09-08 I started writing poems in earnest just a few years ago My poetry will always begin and end with Jesus He is the master craftsman the great author The Word In this way each poem is indeed a prayer of thanksgiving of worship of truth whispered in innermost parts As you read both the poems and the thinking beneath them I pray that Jesus would woo you afresh by his presence    *Poetry and Prayer* Dr

Francesca Bugliani Knox,Professor John Took,2015-10-28 Poetry and Prayer focuses on the relationship of poetry and prayer as aspects of human spirituality and of the expression of that spirituality Interdisciplinary and ecumenical in scope the volume offers theoretical discussion on the profound connection between poetic inspiration and prayer as well as reflection on and close reading of the work of individual writers and of different traditions The volume reinforces contemporary theological concern with poetic experience and expression distinct from the propositional discourse traditionally favoured by theologians    *The Saga of Prayer* Robert K. Ward,2025-10-16 This book explores a range of twentieth and twenty first century poem prayers directed to or involving Mary In readings of works by T S Eliot David Jones Geoffrey Hill Elizabeth Jennings Hilary Davies Rowan Williams and others Ward traces the resurgence of interest in Mary from the late nineteenth century to the present day By the early twentieth century the once widespread and fervent cult of the Virgin Mary had for more than three hundred years been largely absent from England s religious life Similarly the figure of Mary had almost vanished from English poetry only to return gradually as Marian devotion began to revive in the nineteenth century The perception of this devotion as somehow un English dominant since the Reformation presented a challenge to poets engaged with the Marian theme in the modern day Marian Poem Prayers in the Modern Age examines how male and female poets from both Roman Catholic and Anglican backgrounds responded to this situation The book also argues that the figure of Mary is a type of John Henry Newman s category of real assent commitment that is not merely intellectual but involves the totality of a person s being in relation to God    The poets and the poetry of the century, ed. by A.H. both arise from deep attentiveness to life Reading this book is a uniquely beautiful experience that affirms Melannie s deep attention not only to life but to God s place within it She invites readers to see everything as if for the first time a rose a grain of sand a baby s laugh a particular hurt an interior joy or dread Her prayer poems have the uncanny ability to put readers in the presence of the universal and eternal thus connecting them with God others with nature and the entire world All the poems in these pages are invitations to prayer They are simple varied in form and diverse in content and theme and prayerful Each is followed by a brief commentary about how the poem came to be reflection questions for personal pondering and group sharing suggested Scripture passages that relate to the poem and an activity or two for prayer and play **Twenty Poems to Pray** Gary M. Conversations In the Prayer Closet Fredah El,2014-08-26 If you had face time with God what would you want to talk about Inside are conversations in the form of poems to God The poems vary from funny to heartfelt and serious discussions with God Some of the poems may be thoughts and or questions you may have wondered and never thought to address them with God The poems are not to instruct one on how to pray but to give insight that there are no subjects whether serious or comical that we cannot discuss with God The book also has a prayer to share each prayer poem is written twice with one to keep and one to share Fredah El was born in Florida a US veteran and currently living in New Mexico Throughout my travels of life I have been asking questions Some of the questions I could not get answers for and it prompted me to writing my questions to God in the form of poems
