N Kasturi,2010-07-08 This Bhagavatha is a dialogue between a person under the sentence of death and a great saint who prepared him to meet it We're all under a sentence of death our hearts like muffled drums are beating funeral marches to the grave Some reach it late some soon We require the counsel of a great saint to prepare us too for meeting Death and witness the horizon beyond The Bhagavatha is a Ganga emerging from the Lord and merging in Him after a long journey through geographic descriptions historic annals philosophic disquisitions hagiological narratives epistemological inquiries and after fertilising the vast valleys of human minds with the pure pellucid waters of Krishna episodes Bhagavan has come again as Sathya Sai for the revival of dharma among men One important aspect of that revival is the reestablishment of reverence for the ancient spiritual texts like the Bible the Koran the Zend Avesta the Tripitaka the Vedas and the Bhagavatha Reverence can spring at the present time only when the inner meanings of the statements and stories are explained in clear simple charming style by the very Person who inspired the original scripture Here in this book we have His version of that voluminous textbook of devotion bhakthi that Vyasa composed at the suggestion of the sage Narada so that he could win peace and equanimity This is not just a book dear reader It is a balm a key a mantra to soften solve and save to loosen the bonds to liberate from grief and pain thirst and tutelage Open it with humility read it with diligence revere it with devotion observe its lessons with steadfastness and reach the Goal that Vyasa reached and Narada attained that Suka taught and Parikshith learned What greater recompense can man hope for N Kasturi Prasanthi Nilayam Guru Pournami 18 July 1970
