the mountain that might be touched and that burned with fire but in the heaven of heavens not amidst thunderings and lightnings but amidst the express testimonies of his favour and blessing They VOL II R shall appear in the sanctuary of the Lord and discern plainly the mysteries of the wisdom of God They shall behold not the ark and the propitiatory but the things in the heavens which these were made to represent They shall see as they are seen and be known as they are known To the enjoyment of this glory after the persecutions and troubles of this life the bridegroom is represented as calling his church Lo the winter is past the rain is over and gone the flowers appear on the earth the time of the singing of birds is come Arise my love my fair one and come away As there is no proportion between finite and infinite so no comparison can be made between the things that are seen and temporal and the things that are unseen and eternal between our light
