**"Stand Your Ground" Laws** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, Civil Rights, and Human Rights,2015    **Stand Your Ground** Caroline Light,2017-02-14 A history of America s Stand Your Ground gun laws from Reconstruction to Trayvon Martin After a young white gunman killed twenty six people at Sandy Hook Elementary School in Newtown Connecticut in December 2012 conservative legislators lamented that the tragedy could have been avoided if the schoolteachers had been armed and the classrooms equipped with guns Similar claims were repeated in the aftermath of other recent shootings after nine were killed in a church in Charleston South Carolina and in the aftermath of the massacre in the Pulse nightclub in Orlando Florida Despite inevitable questions about gun control there is a sharp increase in firearm sales in the wake of every mass shooting Yet this kind of DIY security activism predates the contemporary gun rights movement and even the stand your ground self defense laws adopted in thirty three states or the thirteen million civilians currently licensed to carry concealed firearms As scholar Caroline Light proves support for good guys with guns relies on the entrenched belief that certain bad guys with guns threaten us all Stand Your Ground explores the development of the American right to self defense and reveals how the original duty to retreat from threat was transformed into a selective right to kill In her rigorous genealogy Light traces white America s attachment to racialized lethal self defense by unearthing its complex legal and social histories from the original castle laws of the 1600s which gave white men the right to protect their homes to the brutal lynching of criminal Black bodies during the Jim Crow era and the radicalization of the NRA as it transitioned from a sporting organization to one of our country s most powerful lobbying forces In this convincing treatise on the United States unprecedented ascension as the world s foremost stand your ground nation Light exposes a history hidden in plain sight showing how violent self defense has been legalized for the most privileged and used as a weapon against the most vulnerable    Guns across America Robert Spitzer,2015-04-13 A
