

"The gods envy us. They envy us because we're mortal, because any moment may be our last. Everything is more beautiful because we are doomed."

Envy Of The Gods

Envy Of The Gods:

Envy of the Gods John Prevas,2005-11-29 By the time Alexander the Great was twenty six he had conquered the world s mightiest empire Persia He was the envy of every man But Alexander had a higher aspiration to be the envy of the gods And so Alexander embarked on a long campaign of conquest across Asia He marched his army through the mountains of Afghanistan to the Indian subcontinent But as he pushed forward in his wild pursuit of glory and immortality he grew increasingly unpredictable sporadically violent and megalomaniacal In the end only seven years after he had conquered Persia Alexander the Great was defeated not by any external enemy but by himself unable to control his passions Writer and intrepid explorer John Prevas informs his absorbing Raleigh News Observer narrative through a personal retracing of much of Alexander s route through what is now Iran Afghanistan and Pakistan The author s research and travels bring brilliantly to life this riveting story of Alexander s decline and fall in the land where he sought his greatest glory [Envy of the Gods](#)

Andrea Savitch,2006 Under the watchful eyes of six jealous gods and two full moons King Samed ruled on Raalek without so much as a ripple of question from his subjects But when young Atan next Duke of Ishtba knelt before him meeting his eyes while swearing his loyalty Samed knew the gods were dozing for Atan would cause more than a ripple What he didn t know was that a child reflecting that unique power would one day present herself to the mysterious solitary and feared Duke Atan It is that day when the child Raphela having blossomed into sensual womanhood meets the eyes of Atan the gods are caught off guard and the unimaginable unfolds on the cold medieval world of Raalek [Envy of the Gods in the Odyssey](#) John A. It was revealed to me that the gods envy mortals knowing they shall die they extend themselves beyond their physical bodies and time constraints by finding their purpose their true calling their destiny their vision unleashing a power inside of themselves that transcends their own time and space while in their mortal form walking like gods amongst the mortals extending themselves into the arms of the cosmos This act of transcendence is the ultimate cure for the agony anxiety and frustration of the human soul out of it s ever active hindbrain awareness of the meaningless and ultimate shortness of human life In this realm man has no fear of death man makes the gods envy how he has personally answered the question of his mortality This book inspires the gaze towards this journey I was given the task of exposing the dynamics of the awakening of man to the idea of living a life that pursues something greater than himself to inspire the spark in the souls of men Once in this mode all the anxieties of man fade away for is dedicated to his best version He is as unique as he can get he dies a death worth living [A History of Greece for Colleges and High Schools](#) Philip
