Excerpt from The Spanish Tragedy A Play Unfortunately this investigation is beset with great difficulties and thus considerable discrepancy of opinion prevails even on some of the most important points All detailed criticism as well as a full statement of authorities I have only room here to mention my especial indebtedness to Sarrazin s book Thomas Kyd und sein Kreis and Mr Sidney Lee s article in the Dictionary of National Biography must be reserved for my forthcoming larger edition of which the preface and notes in this little volume form merely a short extract Known facts of Kyd s life Materials for a biography of Thomas Kyd are still but scanty Yet we are now fortunate enough to possess as a starting point the fact that Thomas Kyd was baptized Nov 6 1558 in the Church of St Mary Woolnoth in the City a discovery which we owe to Mr Gordon Goodwin see Notes and Queries 8th series vol v pp 305 6 21st April 1894 Thus we know now for certain that Kyd was older by a good lustrum than Marlowe or Shakspeare This seems to me a very important consideration in view of the astounding youthfulness of the creators of the English drama some after a glorious record being carried off in early youth and the greatest of them storming the very heights of Parnassus before he could be called a man About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
