**The Americans** Henry F. Bedford,1985      **Currents in American History: A Brief History of the United States, Volume II: From 1861** Alan C. Elliott,Terry D. Bilhartz,2023-06-14 This book focuses on the historic ramifications of a handful of essential events that shaped the American past It describes the causes of a select number of epoch making events and examines the short and long term consequences of these critical turning point moments      **The Americans** Henry F. Bedford,H. Trevor Colbourn,1976      *The Americans, a Brief History* Henry F. Bedford,1985      **The Americans** Henry F. Bedford,Harold Trevor Colbourn,1976-01-01      The Culture and Commerce of the American Short Story Andrew Levy,1993-09-24 The Culture and Commerce of the Short Story is a cultural and historical account of the birth and development of the American short story from the time of Poe It describes how America through political movements changes in education magazine editorial policy and the work of certain individuals built the short story as an image of itself and continues to use the genre as a locale within the realm of art where American political ideals can be rehearsed debated and turned into literary forms While the focus of this book is cultural individual authors such as Edgar Allan Poe and Edith Wharton are examined as representative of the phenomenon As part of its project this book also contains a history of creative writing and the workshop dating back a century Andrew Levy makes a strong case for the centrality of the short story as a form of art in American life and provides an explanation for the genre's resurgence and ongoing success      *Globalization and American Popular Culture* Lane Crothers,2009-08-16 A third edition of this book is now available Now in a fully revised and updated edition this concise and insightful book explores the ways American popular products such as movies music television programs fast food sports and even clothing styles have molded and continue to influence modern globalization Lane Crothers offers a thoughtful examination of both the appeal of American products worldwide and the fear and rejection they induce in many people and nations around the world Concluding with a projection of the future impact of American popular culture this book makes a powerful argument for its central role in shaping global politics and economic development      *The American Bibliopolist* ,1869      **The American Annual Cyclopedias and Register of Important Events of the Year ...** ,1875      **Proceedings of ... National Convention of the American Legion** American Legion. Annual National Convention,1931      *The American Monthly Magazine* ,1898      *The American Movement* Eugene Victor Debs,1900      **The American Vice Presidency** Jody C Baumgartner,2015-04-23 It is quite possible that no elected office has been more historically maligned than the vice presidency of the United States From the beginning of American politics the office has been the object of ridicule by scholars pundits humorists citizens and even vice presidents themselves The perception among many is that institution and its occupants are at best irrelevant Recent history would suggest otherwise but as it stands no book exists that takes a detailed look at the new impactful vice presidency that's been forged since Clinton Gore took office The American Vice Presidency fills an important hole in the literature available to those interested in the

modern vice presidency Concise yet comprehensive this book is the fullest and most accurate examination of the office to date covering the origins and constitutional roots of the institution its history and the slow transformation of the office starting in the mid twentieth century Jody C Baumgartner and Thomas F Crumblin highlight major changes in vice presidential selection as well as the new and various roles that vice presidents are being asked to play in their administrations The book emphasizes the increasingly substantive Vice Presidencies of Gore Cheney and Biden and both informs and spurs the debate surrounding what form and role the Vice Presidency will take on moving forward
