The Gay Games Caroline Symons, 2010-04-26 This book explores the significance of the Gay Games in the context of broader currents of gay and lesbian history and addresses a wide range of key contemporary themes within sports studies including the cultural politics of sport the politics of difference and identity and the rise of sporting mega events Star Observer Magazine August 2014 Elias Jahshan, 2014-07-15 **Pink Ink** Bill Calder, 2016-06-22 The tapping of typewriters first lifted the secrecy around homosexuality and a vibrant array of voices was soon heard The publishers of gay magazines and newspapers were a diverse and lively lot Some wanted to publicise where the best parties were held some to fight the political battle and others to show new ways for lesbians and gay men to live their lives The story of these magazines and newspapers is the story of society's changing attitudes and indeed the changing gay world This book traces the evolution of Australia's gay and lesbian publications from smudgy porn sold in brown paper bags to glossy coffee table magazines proudly on display from gestetnered newsletters to an industry publishing millions of newspapers each year that is until the Internet changed it all **The Somerville Papers** Michael Simpson, 2020-11-25 Sir James Somerville 1882-1949 was one of the great influences on the 20th century navy both as a commander of fleets and a pioneer of radio and radar The Admiral's extensive correspondence diaries and reports are deposited in the Churchill Archives Centre at Cambridge These edited selections reveal much of the background about major naval operations in the Second World War The loneliness of high command is clearly revealed in these highly personal documents almost 500 of which are reproduced in the book In particular they show Somerville's frequent disagreements with Churchill a feature common to all senior British commanders during the war **Pitcairn Island as a Port of Call** Herbert Ford, 2014-01-10 Pitcairn Island is arguably the most isolated inhabited spot on Earth Yet despite tricky ocean currents often lethal surf and sudden gales the island's standing as the home of the descendants of Fletcher Christian and his mutineer cohorts from H M S Bounty has drawn thousands of ships to its shores This maritime history of the island chronicles every ship that has called at Pitcairn from the time of the arrival of the mutineers in 1790 to December 2010 The ship's log format lists the date of each call the ship's name and particulars and brief reports of activities during the call which often include matters of love murder survival intrigue shipwreck romance and much more Since Pitcairn remains totally dependent on ships for its survival this work offers the most thorough historical record of the island and its people **New York Star**, 1925 **Journal** New South Wales.
