21st Century Sociology: A Reference Handbook Clifton D. Bryant, Dennis L. Peck, 2006-11-17 21st Century Sociology A Reference Handbook provides a concise forum through which the vast array of knowledge accumulated particularly during the past three decades can be organized into a single definitive resource. The two volumes of this Reference Handbook focus on the corpus of knowledge garnered in traditional areas of sociological inquiry as well as document the general orientation of the newer and currently emerging areas of sociological inquiry. *Sociology A-Level (ZIMSEC) Past Exam Questions and Model Answers* David Chitate, 2024-06-06 This book contains the most comprehensive question bank and model answers for ZIMSEC A Level exam questions. It also includes syllabus review notes and exercises. Examiners provide observations and tips and point out common errors that students make when answering questions. If you use this book faithfully you can't fail and the Grade A is very much within your reach. *The Sage Handbook of Sociology of Education* Mark Berends, Barbara Schneider, Stephen Lamb, 2023-12-06 The Sage Handbook of Sociology of Education is an international and comprehensive groundbreaking text that serves as a touchstone for researchers and scholars interested in exploring the intricate relationships between education and society. Leading sociologists from five different continents examine major topics in sociology from a global perspective. This timely, thought-provoking Handbook features contributions from leading and emerging sociology scholars who provide their own cultural and historical perspectives on diverse yet universal topics. These include educational policy, social stratification, and cross-national research. 39 Chapters delve into the pressing issues faced by our global society such as the effects of residential mobility on educational outcomes, gender and ethnic inequalities, and the impact of COVID-19 on early childhood education. Readers will gain a multifaceted view of the contours of educational inequality from various international perspectives and focusing on country differences as well as recommendations for expanding the practices, programs, and policies that could reduce the rising tide of inequities especially for populations most at risk. This Handbook offers rich, diverse perspectives on the interplay between education, social inequality, and human rights around the world, making it an invaluable resource for students, researchers, and practitioners across a range of fields including sociology, education, and social policy.
