Creative Ideas for Children's Worship Sarah Lenton, 2010-11-30 Ask almost any priest what his or her biggest headache is and the answer is likely to be coming up with ideas for including children in worship. Here is the answer to those prayers: a whole year's worth of activities and ideas complete with artwork and visual aids. These sixty outlines have been developed and used in an Anglican parish church over the last eight years by a professional educationalist, artist and experienced children's church leader. The worship outlines include simple children's liturgies and a complete lesson or story plan that harmonizes with what the adults are doing in church on the same day. Through fun ideas children encounter a real aspect of the Christian faith focused on a theme to be found in the Gospel of the day. Each outline includes a variety of options which make them workable with small and large groups of children or single groups of mixed ages. Illustrated throughout the text and artwork appears on the accompanying CD Rom in full colour for downloading and printing or copying. *The Liturgical Environment, Fourth Edition, Updated and Revised* Mark G. Boyer, 2025-05-08 According to the post-Vatican II Roman Catholic Church documents the church building consists of various rooms, chapels where various liturgies (baptism, confirmation, anointing of the sick, penance, marriage, ordination and Eucharist) take place. Vatican II required a new way of thinking about the church building. The purpose of this book is to provide catechesis and serve as an adult education tool for both clergy and laity about what the post-Vatican II church said about the various chapels under the roof of a church building complex. The call for active participation by everyone in the liturgy is the norm that is applied throughout this work. This

fourth edition of the book originally titled The Liturgical Environment What the Documents Say is designed to serve as an educational tool especially for those building a new church or renovating an older one also it serves as a handy reference for sacristans designers decorators renovators all liturgical ministers including bishops priests and deacons and can be employed easily in study and discussion groups within a parish The fifteen chapters are each divided into four sections 1 the documents 2 the theology found in the documents 3 the practice and 4 questions for reflection and discussion
