## **Key Of Faith:**

Behold! the Kingdom Crosbie Barnes,2014-10-22 A study that attempts to remove the fog surrounding our perception of God s Kingdom It may be a source of new ideas and revelation challenging those commonly held about the Kingdom and attempting to set the foundation for how we should view it We look at how the coming of the King impacts the world and its people in every generation revealing an invitation to take our rightful place in His Kingdom We examine the mechanics and the dynamics of our inclusion into the Kingdom and how it is expressed within His creation examining its nature as it emerges in the lives of individuals who embrace the King And finally we look at the structure role and intrinsic values of the Church in the context of God s Kingdom
