**Interpersonal Communication** Michael E. Roloff, 1981-06 A book which examines the social exchange theories of relations between people. These theories tend to view communication as an exchange or extraction of benefit undertaken out of self interest. The book attempts to answer three questions: what are these theories and how do their assumptions differ?

How do they view a variety of interpersonal communication phenomena What are their strengths and weaknesses This highly readable book contributes by abstracting the substance of exchange then attributing it to the human communication processes Sociology Review of New Books Vol 9 No 3      **Interpersonal Communication** Sarah Trenholm, Arthur Jensen, 2008 Interpersonal Communication introduces students to the core concepts that underpin interpersonal communication in theory and practice Trenholm and Jensen introduce a 5 point model of Communication Competence in chapter one and use it throughout the book to help keep students focused on the key elements of effective communication The book draws its examples not only from communication but also from history psychology and anthropology among others giving students a richer understanding of the roots of interpersonal communication Updated throughout special attention has been paid to bringing more contemporary theory in where relevant expanding the coverage of computer mediated communication all throughout the book and making the book even more accessible by adding pedagogical features to aid student comprehension      The Interpersonal Communication Joseph A.
