**The Jocks** Leonard Shecter,1969    **Jocks and Burnouts** Penelope Eckert,1989-01-01 This ethnographic study of adolescent social structure in a Michigan high school shows how the school's institutional environment fosters the formation of opposed class cultures in the student population which in turn serve as a social tracking system    **Black Resistance in High School** R. Patrick Solomon,1992-03-16 This book investigates and brings into focus the formidable issues of racial culture left undeveloped in research on multiracial school populations in the United States Britain and Canada Through ethnographic research the author presents significant and provocative insight into the formation of black self concept and captures the complex interplay between black students accommodation to the official achievement ideology and their resistance to the powerful structural forces operating within the school It offers practical suggestions for working constructively with racial and ethnic subcultures as well as offering suggestions to school districts in the process of planning or implementing race and ethnic relations policies    Toward a Scientific Practice of Science Education Marjorie Gardner,James G.
