**When Care Work Goes Global** Professor Mary Romero, Professor Wenona Giles, 2014-09-28 Women who migrate into domestic labour and care work are the single largest female occupational group migrating globally at present. Their participation in global migration systems has been acknowledged but remains under theorized. Specifically the impacts of women migrating into care work in the receiving as well as the sending societies are profound altering gendered aspects of both societies. We know that migration systems link the women who migrate and the households and organizations that employ domestic and care workers but how do these migration systems work and more importantly what are their impacts on the sending as well as the receiving societies. How do sending and receiving societies regulate women's migration for care work and how do these labour market exchanges take place. How is reproductive labour changed in the receiving society when it is done by women who are subject to multifaceted othering racializing processes. A must buy acquisition. **When Care Work Goes Global** will be an extremely valuable addition for course adoption in migration labour and gender courses taught in Sociology Anthropology Geography Women's Studies Area Studies and International Development Studies. **Politics**

**and Society in Modern Israel** Adam Garfinkle, 1999-12-07 With full coverage of recent dramatic events in Israeli politics from the Rabin assassination through the May 1996 elections this work provides an up to date introduction to Israeli politics and society. It seeks to convey a strong sense of everyday life in Israel the nuances and contradictions of Israeli identity the ethnic composition and institutional structure of Israeli society as well as Israeli political culture and the issues that dominate the country's domestic and foreign policy.

**The Israel Lobby and US Foreign Policy** John J Mearsheimer, Stephen M Walt, 2008-06-26 Does America's pro Israel lobby wield inappropriate control over US foreign policy? This book has created a storm of controversy by bringing out into the open America's relationship with the Israel lobby a loose coalition of individuals and organizations that actively work to shape foreign policy in a way that is profoundly damaging both to the United States and Israel itself. Israel is an important valued American ally yet Mearsheimer and Walt show that by encouraging unconditional US financial and diplomatic support for Israel and promoting the use of its power to remake the Middle East the lobby has jeopardized America's and Israel's long term security and put other countries including Britain at risk.

**The Posen Library of Jewish Culture and Civilization, Volume 7** Israel Bartal, Kenneth B. Moss, 2024-01-05 Volume 7 of the Posen Library captures unprecedented transformations of Jewish culture amid mass migration global capitalism nationalism revolution and the birth of the secular self. Between 1880 and 1918 traditions and regimes collapsed around the world migration and imperialism remade the lives of millions nationalism and secularization transformed selves and collectives utopias beckoned and new kinds of social conflict threatened as never before. Few communities experienced the pressures and possibilities of the era more profoundly than the world's Jews. This volume seventh in The Posen Library of Jewish Culture and Civilization recaptures the vibrant Jewish cultural creativity political striving social experimentation and

fractious religious and secular thought that burst forth in the face of these challenges Editors Israel Bartal and Kenneth B Moss capture the full range of Jewish expression in a centrifugal age from mystical visions to unabashedly antitraditional Jewish political thought from cookbooks to literary criticism from modernist poetry to vaudeville They also highlight the most remarkable dimension of the 1880 1918 era an audacious effort by newly secular Jews to replace Judaism itself with a new kind of Jewish culture centering on this worldly aesthetic creativity by a posited Jewish nation and the secular modern and free individuals who composed it This volume is an essential starting point for anyone who wishes to understand the divided Jewish present
