The Janus Murder:

The Janus Murder Case Colin Wilson, 1985 **The Janus Murder** John Nicholas Datesh, 1979 *The Pain Killer* Greg Hoover, 2023-09-01 The year was 1982 and people were dying A faceless murderer struck fear into the hearts of every American This unknown killer poisoned Tylenol capsules He then slipped them back onto drugstore shelves As the body count rose panic seized the nation People scrambled to throw away their medicines paranoia gripped once peaceful neighborhoods and cities canceled Halloween Decades have passed since this tragic event but the murders remain unsolved to this day But for me this story began long before 1982 It started when I was a five year old boy and made a gruesome discovery That discovery expanded into one of the greatest murder mysteries of all time The man with me when I found the buried secret became infamous And to many people he still remains the prime suspect in the Tylenol murders My story tells of an innocent time in our country s history now gone It features my memories of the prime suspect my reflections on the Tylenol murders and my spiritual quest to make sense of the mystery of evil This is the story of the unknown serial killer some have called America s Jack the Ripper Others call him the Tylenol terrorist I call him the Pain Killer *The Royal Park Murders* Kevin Marsh, 2023-11-10 Her skin crawled as she sensed danger Turning away she began to run but there was no rhythm to her pace it was a desperate retreat filled with panic After a few paces she looked back again but it was the same The pavement was empty the man was nowhere to be seen The Royal Parks of London are safe green spaces enjoyed by many thousands of people but when the body of a young woman is discovered in Hyde Park the harmonious balance between nature and recreation is disturbed Newly promoted Detective Inspector Isobel Woods is tasked with leading the investigation then elements of a previous case threatens her wellbeing forcing her to prove to a new boss that she is fit to lead her team Things rarely go to plan and the situation escalates when the killer strikes again Unexpectedly a web of abuse fraud and deceit is exposed and as they investigate further Woods and her colleagues lives are endangered With resources stretched to the limit the team must keep themselves and the public safe What other surprises will be uncovered before the investigation reaches a satisfactory conclusion *Crime in Medieval Europe* Trevor Dean, 2014-06-17 What is the difference between a stabbing in a tavern in London and one in a hostelry in the South of France What happens when a spinster living in Paris finds knight in her bedroom wanting to marry her Why was there a crime wave following the Black Death From Aberdeen to Cracow and from Stockholm to Sardinia Trevor Dean ranges widely throughout medieval Europe in this exiting and innovative history of lawlessness and criminal justice Drawing on the real life stories of ordinary men and women who often found themselves at the sharp end of the law he shows how it was often one rule for the rich and another for the poor in a tangled web of judicial corruption Stratagems and Conspiracies to Defraud Life Insurance Companies John Benjamin Lewis, Charles Carroll Bombaugh, 1896 Investigating Crime in a Time of War Thomas W. Kniesche, 2025-04-12 This book takes a close look at crime fiction set in the interwar period and during the reign of terror of the Nazi regime Kniesche

analyzes historical crime fiction depicting Weimar and Nazi Germany with specific questions in mind what does the text try to accomplish in regard to transmitting historical knowledge What history is told How is historical knowledge represented and conveyed in crime fiction Does the historical background provide an indispensable setting for the crime story With consideration to the degree of self reflexivity in the texts Kniesche probes how open the text is to an active participation of the reader in evaluating the historical knowledge that the text itself attempts to provide

Crime, Passion & Conscience Edward Gibbon, 2003-10 This writing is a wonderful effort to produce a book that Reeks with authenticity Challenges the reader to predict outcomes Both immediate and eventual Intertwines a moral thread throughout with the final climax Educates historically to the current reality Brings to the reader a colorful caste of characters Calls attention to the bias in the hierarchy of law enforcement agencies Points to the ethnic predominance of cops and crooks Infuses the reader with the impression that male chauvinism predominates law enforcement Portrays cops motivation being emotional as well as moral Asks the question does might make right Boston Police Detective Sergeant Stuart Parnell McKeady was not fully aware of the moral debt he was incurring as he slipped progressively deeper into graft and corruption but that debt would quickly come due William Bill Arbuckle Former California lawman and reviewer of books pertaining to crime cases The book *The Great Brink's Holdup* I co authored with Sid Feder Murder Inc was factual Crime Passion Conscience is factualized fiction In my ten years on the force I witnessed inefficiency and outright dishonesty from the top down This fictional account shows how temptations can overwhelm conscience in a very difficult job I am proud of the honest majority of police and of the Boston Police Medal of Honor bestowed on me Edward Anthony Gibbons *The Baltimore Underwriter*, 1880 *Making Crime Count* Kevin D.
