C., Up to the Present Time ... Michael Levi Rodkinson, 1903 History of the Jewish People Meir Holder, 1986 Index A History of the Jews in Babylonia Jacob Neusner, 1969 A History of the Jews in Babylonia, Part IV Jacob Neusner, 2008-10-27 The Jewish Encyclopedia Cyrus Adler, Isidore Singer, 1909 Jews, Judaism, and the Classical World Gedalia Alon, 1977 The studies by one of the most distinguished scholars of antiquity cover a span of time beginning with the Hasmoneans and the earliest intervention of Roman power in the land of Israel that is from the second and first pre Christian centuries and extended as far as the third and fourth centuries of the present era Most of the questions dealt with originate in the inner world of Judaism and Jewish law halachah The issues are examined in relation to other factors as well such as the Hellenistic literature of the Jews early Christian traditions and classical culture as a whole **History of the Jews from the Downfall of the Jewish State to the Conclusion of the Talmud** Heinrich Graetz, 1873 History of the Jews Heinrich Graetz, 1894 **A History of the Jews in Babylonia, Part 4. The Age of Shapur II** Jacob Neusner, 2022-05-09 **A History of the Talmud** David C. Kraemer, 2019-09-30 It is impossible to exaggerate the importance of the Talmud in Judaism and beyond Yet its difficult language and its assumptions so distant from modern sensibilities render it inaccessible to most readers In this volume David C Kraemer offers students of Judaism a sophisticated and accessible introduction to one of the religion s most important texts Here he brings together his expertise as a scholar of the Talmud and rabbinic Judaism with the lessons of his experience as director of one of the largest collections of rare Judaica in the world Tracing the Talmud s origins and its often controversial status through history he bases his work on the most recent historical and literary scholarship while making no assumptions concerning the reader s prior knowledge Kraemer also examines the continuities and shifts of the Talmud over time and space His work will provide scholars and students with an unprecedented understanding of one of the world s great classics and the spirit that animates it History
