centuries finding that their potency reflected not Jewish actions per se but Christians own concerns about slipping into idolatry when viewing depictions of religious figures In addition Aron Beller considers Jews own attitudes toward Christian imagery and the ways in which they responded to and rejected or embraced such allegations By examining how desecration allegations affected Jewish individuals and communities spanning Byzantium medieval England France Germany and early modern Spain and Italy Aron Beller demonstrates that this charge was a powerful expression of the Christian majority s anxiety around committing idolatry and their eagerness to participate in practices of veneration that revolved around visual images an anxiety that evolved through the centuries and persists to this day *The Scattered Nation and Jewish Christian Magazine* Carl Schwartz,1871 **A Study of Jewish Refugees in China (1933-1945)** Guang Pan,2019-09-12 This book comprehensively discusses the topic of Jews fleeing the Holocaust to China It is divided into three parts historical facts theories and the Chinese model The first part addresses the formation development and end of the Jewish refugee community in China offering a systematic review of the history of Jewish Diaspora including historical and recent events bringing European Jews to China Jewish refugees arriving in China route time number and settlement the Jewish refugee community in Shanghai Jewish refugees in other Chinese cities the Final Solution for Jewish refugees in Shanghai and the Designated Area for Stateless Refugees friendship between the Jewish refugees and the local Chinese people the departure of Jews and the end of the Jewish refugee community in China The second part provides deeper perspectives on the Jewish refugees in China and the relationship between Jews and the Chinese The third part explores the Chinese model in the history of Jewish Diaspora focusing on the Jews fleeing the Holocaust to China and compares the Jewish refugees in China with those in other parts of the world It also introduces the Chinese model concept and presents the five features of the model [The Jewish Encyclopedia](#) Isidore Singer,Cyrus Adler,1901 **Publications of the American Jewish Historical Society** American Jewish Historical Society,1893 **The Jewish Quarterly Review** Claude Goldsmid Montefiore,1896 **Chapters on Jewish Literature, by Israel Abrahams ...** Israel Abrahams,1899
