Matthew 12:41 (NKJV)

⁴¹ The men of Nineveh will rise up in the judgment with this generation and condemn it, because they repented at the preaching of Jonah; and indeed a greater than Jonah *is* here.

The Judgment Of Jonah:

The Judgment of Jonah Jacques Ellul,Geoffrey W. Bromiley,2011-06-02 This is not a commentary in the traditional sense One might call it an existential commentary An important aim of the author is to bring out the relevance of the story of the person mission and situation of Jonah to Christians in our own time Above all this is a theological or more specifically a christological commentary The author s chief aim is to relate the book not to Christians but to Christ Ellul thinks Christ is the center of all Scripture and he also takes seriously the specific reference which Christ makes to the sign of Jonah If this reading is correct and the Bible is indeed a unity the exposition of Ellul though not developed in detail has a distinctive theological contribution to make Those who want acute theological insight and are not afraid of plain hard hitting application will read this vivid study with relish and profit From the Preface by G W Bromiley

Heavenly Imagery and Symbolism in Matthew's Gospel Daehoon Kang,2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Mathew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew s heaven and Mathew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Mathew s distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Mathew describes heaven as the space where certain events reveal God s plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Mathew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25 31 46

Prophets of the Lord Mary J. Evans,2001-11-07 The Old Testament prophets were people who looked at the world and heard God speaking They looked at the creation and felt God s power They looked at pain and poverty and felt God s compassion They looked at oppression corruption and idolatry and felt God s anger They looked at faithful believers and felt God s encouragement They looked to the future and envisaged God s action They knew doubt discouragement and

rejection but they stood firm because in looking at God's world they had sensed God's love. They were real people speaking into real situations in a world where people's behavior and reactions were in spite of all the advances of modern technology not so very different from our own. Mary Evans who lectured in Old Testament Studies for many years firmly believes that these people who spoke from God so many years ago are dynamically relevant in church and society today. This book helps you understand the prophets and appreciate their relevance. *Luke 1-17 MacArthur New Testament Commentary Set* John MacArthur, 2011-02-21. This package includes the three volume set of the Gospel of Luke from the MacArthur New Testament Commentary series. Luke 1-5, Luke 6-10, and Luke 11-17. The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series. In volumes one, two, and three of the Gospel of Luke, respected preacher and Bible teacher John MacArthur provides a verse by verse and phrase by phrase exposition of the text taking into account the cultural, theological, and Old Testament contexts of each passage. Interpretive challenges are fully dealt with and differing views are fairly evaluated. The gospel of Luke is unique and provides valuable insight into Christ's life and ministry. It gives the fullest account of Christ's birth and is the only gospel to record several of our Lord's parables including the Good Samaritan and the Two Sons. Use this volume of The MacArthur New Testament Commentary series to assist you in your study of this cherished New Testament book.

Hunter, 2022-04-21. This study is designed as a commentary with a difference where the reading of the prophet's travails is explored in the context of two wider themes: 1) the overt and highly sophisticated intertwining of Jonah's story with an impressively wide range of other biblical texts often deployed in surprising ways; and 2) the clearly contrarian relationship between God and Jonah which has both vexed and intrigued scholars and lay readers alike for millennia. Underpinning this reading is a twofold thesis: firstly, an argument that many of the puzzles inherent in the book of Jonah can be illuminated in the light of the idea that Nineveh was from the beginning a cipher for the Jerusalem of the author's time; and secondly, that this would have been evident to Jonah's first readers, the class of elite literati amongst the ruling cadre of late Persian or early Hellenistic Judaea. *The New World*, 1895 **Prophets and Prophecy** William Henry Green, 1877 *The Holy Bible*, 1871 *The First Three Gospels* Joseph Estlin Carpenter, 1890 **The temple treasury, a biblical diary compiled [by M.W. aug 16 2021 the four quadrant operation of the motor can be described as follows quadrant i in the first quadrant the developed power by the motor is positive thus the motor operates in motoring mode and converts electrical energy into mechanical energy therefore the operation of the motor in first quadrant is called forward motoring quadrant ii

four quadrant operation and control of three phase bldc motor without - Aug 08 2022

the control of bldc motor in four quadrants is very crucial in this paper bldc motor is controlled in all the four quadrants without any wastage of power during regenerative braking period power generated is being stored in the chargeable battery

four quadrant operation of dc motor sciamble - May 17 2023

aug 3 2019 introduction in this experiment four quadrant operation of a dc motor is simulated as well as run in real time the speed and current control model developed in the previous experiment is used to emulate the four regions of operation theoretical background consider an elevator system shown in figure below

implementation of four quadrant operation of bldc motor using - Sep 09 2022

jan 1 2018 doi org 10 1016 j matpr 2017 11 261 get rights and content this paper proposes a method that designs a simulation model of four quadrant operation of bldc motor drive and to reduce the torque ripples in the developed model the characteristics of speed torque back emf are effectively monitored and analyzed
