Wage-labor and Capital Karl Marx, 1902 *The Mark* Friedrich Engels, 1902 **Notes of Travel** William Towers Brown, 1882 Rhetorical Praxis Henry Noble Day, 1876 *Quacks and Crusaders* Eric S. Juhnke, 2002 One promoted goat gland transplants as a remedy for lost virility or infertility Another blamed aluminum cooking utensils for causing cancer The third was targeted by the Food and Drug Administration as public enemy number one for his worthless cures John Brinkley Norman Baker and Harry Hoxsey were the ultimate snake oil salesmen of the twentieth century With backgrounds in lowbrow performance carnivals vaudeville night clubs each of these charismatic con men used the emerging power of radio to hawk alternative cures in the Midwest beginning in the roaring twenties through the Depression era and into the 1950s All scorned the medical establishment for avarice while amassing considerable fortunes of their own and although the American Medical Association castigated them for preying on the ignorant this book shows that the case against them wasn't all that simple *Quacks and Crusaders* is an entertaining and revealing look at the connections between fraudulent medicine and populist rhetoric in middle America Eric Juhnke examines the careers of these three personalities to paint a vision of medicine that championed average Americans denounced elitism and affirmed rustic values All appealed to the common man winning audiences and patrons in rural America by casting their pitches in everyday language and their messages proved more potent than their medicines in treating the fears insecurities and failing health of their numerous supporters Juhnke first examines the career of each man revealing their geniuses as businessmen and propagandists with such success that Brinkley and Baker ran for governor of their states and Hoxsey had thousands of supporters protest his persecution by the FDA Juhnke then investigates the identity motives and willingness to believe of their many patients and followers He shows how all three men used populist rhetoric evangelical anti Communist anti intellectual to attract their clients and then how their particular brand of populism sometimes mutated to anti Semitism and other sentiments of the radical right By treating the incurable Brinkley Baker and Hoxsey took on the mantles of common folk crusaders Brinkley was idolized for his goat

gland cures until his death and Hoxsey's former head nurse continued his work from Tijuana until her death in 1999. In considering who visits quacks and why Juhnke has shed new light not only on the ongoing battle between alternative and organized medicine but also on the persistence of quackery and gullibility in American culture. *Australian Foreign Affairs Record*, 1984
