**Studies in Sociology, Economics, Politics and History**, 1899 Consent and Commitment in the World Community Douglas M. Johnston, 1997 Consent and Commitment in the World Community The Classification and Analysis of International Instruments recommends an empirically premised and functionally oriented system for classifying such instruments that serves splendidly not only to promote intellectual order in otherwise imperfectly revealed experience but as well to satisfy the operational needs of making and shaping public policy It demonstrates remarkably well that there is nothing quite so practical as a good theory And along the way with Talmudic style footnotes providing every manner of useful example and keen insight the author treats us to penetrating explorations of international law in the past present and

potential future of world order
