Devil's Workshop: Susan Piedmont-Palladino, Mark Alden Branch, 1997 For 25 years the architects who make up Jersey Devil have been constructing their own designs while living on site in tents or Airstream trailers making adjustments to their structures in response to problems encountered during the building process Jersey Devil is a name that has been attached to work by Steve Badanes John Ringel Jim Adamson or any combination of the above plus many other people who have participated in their diverse projects This loose knit group of designer builders has created projects that critique conventional practice both the process of making architecture and the accepted definitions of architecture itself Jersey Devil's architecture shows a concern for craft and detail an attention to the expressiveness of the construction materials and a strong environmental consciousness Devil's Workshop contains complete project descriptions photographs drawings and plans on more than a dozen projects including the Snail House the Silo House the Hoagie House and the Seaside Pavillion Essays analyze Jersey Devil's work providing an insight into the design build process and its historical context and discussing the formal qualities inherent in these projects

Architecture, 2004 [Design/Build with Jersey Devil](#) Charlie Hailey, 2016-07-19 Steve Badanes Jim Adamson and John Ringel believe an architect's job does not stop at designing a building but that it extends to constructing it as well Now working into their fifth decade Jersey Devil the loose knit group they founded in 1972 bands together under this design build ethos that an architect's place is just as much on the job site as it is at the drawing board The trio pioneered design build practice and their influence has spawned more than one hundred design build programs Jersey Devil's process and expertise are unpacked in this Architecture Brief providing students and teachers with a toolkit for design build education Through stories didactic commentary and sample exercises the Design Build complements nuts and bolts content with Jersey Devil's philosophy and perspective allowing the book to impart practical instruction while acting as a valuable guide for navigating the elusive challenges of design build Themes touch on socially responsible architecture intuition and intentionality detailing and fostering craftsmanship group work and collaboration off the shelf components and nonstandard applications educational reform ethos and risk good life and play the
