**Ethnologia Europaea Journal of European Ethnology** Tom O'Dell,Robert Willim,2012-03-26 Ethnography has become something of a buzzword in recent years It is talked about and invoked in disciplines ranging from anthropology and ethnology to literature history business administration and design studies Textbooks that teach ethnography tend to imbue students with the impression that ethnography is a mode of systematic investigation by which the researcher gets closer to the realities of people s everyday lives But how straightforward are these processes in reality As ethnography spreads into new folds of research both within and without the academy the contributions in this volume demonstrate the manner in which field methods are adjusting transforming or taking new forms altogether If textbooks might lead students to believe that observations and interviews are the grounds upon which good ethnography can regularly be produced the authors in this volume take as their point of departure the realisation that ethnography is being used in a multitude of different contexts which forces them and us as readers to question the regularities and irregularities of their own work **The British**

**National Bibliography** Arthur James Wells,2009 **Landscapes of Aesthetic Education** Stuart Richmond,Celeste Snowber,2009 This book brings together two experienced educators from the fields of teacher education and arts education The authors Richmond a photographer and Snowber a dancer and poet see aesthetic education as aiming to extend creativity appreciation of the arts and nature and the sensuous qualities of everyday life to gain a more intimate understanding of the self and the world They include poetic narrative philosophical and artistic ways of writing to support a more embodied and holistic aesthetics Landscapes of Aesthetic Education has significance for educators scholars students and artists and for all who would like to explore the connections between the arts aesthetics and transformation **University of arts as an experimental and scientific innovation** ,2003 **Dutch journal of music theory** ,2007 **Annual Meeting Program** American Educational Research Association,2008 **Visual Arts Research** ,2005 **Transactions of the Pharmaceutical Meetings** ,1875 **Journal of Cultural Research in Art Education** ,2011
