Creative Doodle Games for Trainers, Coaches, Facilitators - Fun Games for Serious Business Lisa Rose, 2013-12-23

Humor and innovative engagement can bring new life commitment and energy to groups that are losing their steam. We all remember childhood fun in creating visual representations of thoughts and ideas as children; we were all experts at this way of seeing the world and things around us. As we grow older, we are trained to see things more verbally, and as a result, our vision of situations has become more narrow. Words are limited after all, but by engaging your group in more visual activities through directed and non-directed doodling, a whole new perspective can be gained. The doodlevision games and exercises put fun, creativity, and humor into business situations and create an environment where possibilities that may have previously been unrecognized or unanticipated can come to light. *Children's All Sports Birthday Party Kit and Party Games* SimpliFun Studios, 2004.
