Healer Michael Blumlein, 2011-03-04 Payne is a member of a minority offshoot of humanity called Grotesques or Tesques who are distinguished by a cranial deformity and an extra orifice in their chest A small percentage of Tesques have the ability to effect phenomenal healings which makes them a valuable commodity in their world Sadly such gifted healers live a life somewhere between that of a possession and a slave Payne is unusual in that he is seemingly unaffected by the mysterious burn out called The Drain that all other healers experience The novel follows his journey across the strange

landscape of his world in a search for an acceptance he may never find Along the way we move from the outskirts of society to an isolated mining camp to a metropolis dedicated to gambling and vice to a secret government compound where the most dangerous of healings are performed Finally we climax in a scene where reality meets mythology and Payne experiences a transformation that will forever alter the balance between Tesques and Humans Blumlein brings his experience as a practicing physician to bear in this novel which subtly and beautifully examines the ways in which society both reveres and fears members of the medical profession The Healer is a story of human life and death human rites and rituals seen through the eyes of an outsider one who knows humans better perhaps than they know themselves In the vein of such authors as Jonathan Lethem and Jonathan Carroll The Healer is literate philosophical entertaining moving and original **The Modern Bethesda** Alonzo Eliot Newton,1879 The Modern Bethesda by Alonzo Eliot Newton first published in 1879 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **The Complete Preacher** Isaac Kaufman Funk,1895 Washington News Letter ,1900 **Light** ,1909 *The Millennial Kingdom* William A.
