Siff,1999-01-30 Siff provides the first accurate account of how the political processes in the U S Senate allowed the executive branch to launch a major war with basically no accountability to Congress He reveals the heretofore untold personal and public roles of key Senators as well as those of lesser stature whose actions and failures to act resulted in a bloody and costly conflict that divided a nation and scarred its politics and armed forces The ambition and significant weaknesses of key figures LBJ Robert McNamara Senators Russell of Georgia Fulbright

of Arkansas Nelson of Wisconsin McGovern of South Dakota Gruening of Alaska and Church of Idaho who from the onset fought to prevent or limit the Americanization of the Vietnam War are examined and judged This is an important work for students of American politics the war making powers of the president and the Vietnam War *War Powers for the 21st Century* United States. Hulse, 2000 He was as recognizable by his mellifluous voice as by his rumpled appearance Everett McKinley Dirksen was one of the most colorful American politicians of the twentieth century and was considered by some the most powerful man in Congress Now Byron Hulse takes a new look at the senator from Illinois to show how his interactions with the White House made him a pivotal figure in American politics during the Cold War era Hulse traces Dirksen's relationships with four presidents to show how the senator shifted from being a major Republican critic of Truman to an ardent Republican supporter of LBJ Dirksen learned suprapartisan politics from Eisenhower and became Ike's most trusted confidant on Capitol Hill then as Senate Minority Leader he played a key role in furthering the ambitious goals of the Johnson administration Hulse analyzes the reasons for Dirksen's dramatic policy reversals telling how the senator who in 1950 warned of the dangers of a leviathan executive came to embrace the power of the presidential office to provide for the social welfare contain the spread of communism and guarantee civil rights Drawing on primary sources at the Johnson presidential library and the Dirksen Congressional Center Hulse shows how the senator combined legislative craftsmanship with the ability to get bills passed He links Dirksen to the issues and events that shaped the 1950s and 1960s and tells how the Johnson Dirksen coalition moved domestic policy forward through civil rights legislation but ran aground on the insurmountable problem of Vietnam Hulse also uses Dirksen's career to explore change continuity and conflict in the Republican Party over two decades He explains how the GOP evolved through internal political and ideological tensions from the Taft Eisenhower contest through the McCarthy era to the beginning of Nixon administration revealing Dirksen's role in that process By the time of Dirksen's death in 1969 the Vietnam War the explosion of urban riots and President Nixon's preference for the politics of resentment put an end to the suprapartisan spirit Hulse's book recreates a Washington milieu the likes of which may never be seen again offering a lens for viewing postwar American politics while painting the definitive political portrait of one of our most remarkable leaders **Harvest of Dissent** Bruce E. Field, 1998 Bruce Field here

explores the people and events of a little studied episode in American history by describing how the leadership of the Farmers Union split over the Korean War When the organization was faced with accusations of being communist sympathizers NFU national president Jim Patton chose to support the war while a splinter group led by Iowa Farmers Union president Fred Stover continued to protest American involvement **The President as Leader** Erwin C. Hargrove, 1998 Hargrove argues that political leadership must contain a moral element if it is to be fully effective He suggests a model with which to analyze compare and evaluate political leaders and then assesses the presidencies of Franklin Roosevelt Lyndon Johnson and Ronald Reagan according to the model s normative implications Jacket
