The Hamlyn History Of Medieval Life:

The Hamlyn History of Medieval Life David Nicolle,1997 *History of Medieval Life* David Nicolle,1997 *The History of Medieval Life: A Guide to Life from 1000 to 1500 AD.* David Nicolle,2000 **The Lady and The Unicorn** Sutherland Lyall,2024-01-17 The legendary medieval tapestry The Lady and the Unicorn is Sutherland Lyall s starting point for this journey into the world of mythology and mystery which has been woven around the myth of the unicorn and the lady We learn that the unicorn is the symbol for power and the lady may be mother mistress or virgin With an abundant collection of documents form a number of international museums Lyall s writing is an exciting exploration a lively new examination of old subjects Who knows perhaps he has finally sloved the mystery of The Lady and the Unicorn *Later Medieval Europe* Daniel Waley,Peter Denley,2013-11-26 From the divine right of kings to the political philosophies of writers such as Machiavelli the medieval city states to the unification of Spain Daniel Waley and Peter Denley focus on the growing power of the state to illuminate changing political ideas in Europe between the thirteenth and sixteenth centuries Spanning the entire continent and beyond and using contemporary voices wherever possible the authors include substantial sections on economics religion and art and how developments in these areas fed into and were influenced by the transformation of political thinking The new edition takes the narrative beyond the confines of western Europe with chapters on East Central Europe and the teutonic knights and the Portuguese expansion across the Atlantic The third edition of this classic introduction to the period includes even greater use of contemporary voices full reading lists and new chapters on East Central Europe and Portuguese exploration Suitable as an introductory text for undergraduate courses in Medieval Studies and Medieval European History *The Hamlyn Historical Atlas* Robert Ian Moore,1981 This text contains 102 pages of entirely new full colour maps assembled by a team of experts Particular attention has been paid to illustrating themes of cultural history of the relationship between different civilisations and of the growth of an overall world community The non Western world especially Asia receives full coverage and the contributors have taken care to concentrate on information of specific importance to the themes of each map whether it be the routes of royal progresses in medieval Germany or the spread of government sponsored factories in 19th century Japan rather than on military activity or border changes The maps are illuminated by a series of essay which draw together the ideas of various maps and open up new perspectives from historical geography The result is a guide to world history that is essential reference and fascinating reading for everyone interested in history **Dictionary of Architecture and Building Construction** Nikolas Davies,Erkki Jokiniemi,2008 With more than 20 000 words and terms individually defined the Dictionary offers huge coverage for anyone studying or working in architecture construction or any of the built environment fields The innovative and detailed cross referencing system allows readers to track down elusive definitions from general subject headings Starting from only the vaguest idea of the word required a reader can quickly track down precisely the term they are looking for The book is illustrated with stunning

drawings that provide a visual as well as a textual definition of both key concepts and subtle differences in meaning Davies and Jokiniemi's work sets a new standard for reference books for all those interested in the buildings that surround us To browse the book and to see how this title is an invaluable resource for both students and professionals alike visit www.architectsdictionary.com
