The Harp Of Ethiopia:

The Harp of Ethiopia Maurice N. Corbett, 1914 Greater Ethiopia Donald N. Levine, 2024-05-31 Greater Ethiopia combines history anthropology and sociology to answer two major questions Why did Ethiopia remain independent under the onslaught of European expansionism while other African political entities were colonized And why must Ethiopia be considered a single cultural region despite its political religious and linguistic diversity Donald Levine s interdisciplinary study makes a substantial contribution both to Ethiopian interpretive history and to sociological analysis In his new preface Levine examines Ethiopia since the overthrow of the monarchy in the 1970s Ethiopian scholarship is in Professor Levine s debt He has performed an important task with panache urbanity and learning Edward Ullendorff Times Literary Supplement Upon rereading this book it strikes the reader how broad in scope how innovative in approach and how stimulating in arguments this book was when it came out In the past twenty years it has inspired anthropological and historical research stimulated theoretical debate about Ethiopia s cultural and historical development and given the impetus to modern political thinking about the complexities and challenges of Ethiopia as a country The text thus easily remains an absolute must for any Ethiopianist scholar to read and digest J Abbink Journal of Modern African Studies Songs of Ethiopia's Tesfaye Gabbiso Lila W. Balisky, 2018-10-19 Tesfaye Gabbiso prominent Ethiopian soloist began composing song texts and tunes as a young lad in the early 1970s during a period of social and political upheaval in Ethiopia This national ferment strengthened a creative surge among a generation of youth as the Ethiopian revolution 1974-91 was taking hold An explosion of indigenous spiritual songs was one result The indigenous song style was in contrast to the imported and translated European hymnody that had earlier been sung in Ethiopia s evangelical churches Because of his testimony both in life and song Tesfaye was imprisoned for seven years during the revolution during which time he continued to compose and sing Thus his songs reflect suffering endurance and hope in the Babylons Meantime and Zions of life experience The human voice in song rooted in the flow of the missio Dei is perhaps the greatest testimony that may be lived out whether in a prison cell or in the larger complex world A special feature of this book is the inclusion of 104 of Tesfaye s songs Cassettes 1-7 in English translation This study is valuable as a cross cultural textbook offers rich lyrics and embodies a challenge to Christian commitment in the arts Ethiopia's Insecurity Complex Yonas Tariku, Fana Gebresenbet, 2025-11-28 Ethiopia has been going through the most tumultuous period in its recent history with conflict and civil war killing hundreds of thousands and leaving millions displaced This book investigates the escalation and making of the current crises in Ethiopia starting with the root causes of the protests 2015-2018 the bumpy transition 2018-2021 the civil war in the north November 2020 November 2022 and ongoing violence in Amhara and Oromia regions taking us up to 2024 Adopting a diachronic approach the book brings in historical insights to help us understand the causes of the crises and how they have led to current realities on the ground The book presents a multiscalar analysis investigating local identity and security concerns and state level political economic and

security dynamics Using the concept of the intrastate insecurity complex the book sheds light on contested notions of security between state security on the one hand and societal security the security of ethno linguistic or cultural groups on the other It also takes into account the relevance of regime security in the complex dynamics between state and societal security Providing fresh conceptual and analytical perspectives on the unfolding situation the book will be an important read for researchers policymakers and practitioners interested in governance development and security issues in Ethiopia and the Horn of Africa
