The Headmasters Wife:

The Headmaster's Wife Thomas Christopher Greene, 2014-05-01 THE NUMBER ONE KINDLE BESTSELLER Arthur Winthrop is a middle aged headmaster at an elite prep school in Vermont. When he is arrested for an act that is incredibly out of character the strait laced married headmaster confesses to a much more serious crime. Arthur reveals that he has had a passionate affair with a scholarship student called Betsy Pappas. But Betsy is a fickle and precocious teenager. When she switches her attentions to a classmate Arthur's passion for Betsy turns by degrees into something far darker. Now Arthur must tell the truth about what happened to Betsy. But can Arthur's version of events be trusted or is the reality much more complex and unnerving? *The Headmaster's Wife* is a dark sinuous and compelling novel about marriage and obsessive love.

The Headmaster's Wife Stephen Birmingham, 2024-04-02 Cultural shifts of the late twentieth century reveal dark secrets at an elite prep school in this posthumously discovered novel by the author of *Our Crowd*. Located in bucolic Connecticut the Crittenden School has long held a venerable reputation as one of New England's premier preparatory schools. However times are changing and that change is coming to Crittenden. In the midst of social upheaval the headmaster's wife Clarissa Spotswood is thrust into faculty and student intrigues a role for which she is woefully unprepared. Clarissa has spent the past thirty years quietly standing by her husband Headmaster Hobart Spotswood projecting the image of the model society wife. But this meticulous facade is shattered when Clarissa uncovers horrific events within the school's insular community. And interspersed with the drama is Clarissa's own journal entries revealing a secret history of her own. Previously unpublished *The Headmaster's Wife* was written by the late Stephen Birmingham author of notable works such as *Real Lace* and *Life at the Dakota*. Discovered after Birmingham's death the manuscript was transcribed and edited by his son Carey Birmingham.

The Headmaster's Wife Jane Haddam, 2007-04-01 Mark DeAvecca is a brilliant fifteen year old in his first year at the exclusive private academy Windsor School. Mark the son of noted commentator Liz Tolliver grew up in very different circumstances and could not fit in less well. With its hundred year old history Windsor is rife with tradition nasty rumors petty jealousies and long buried resentments. The most savage of those unpleasant undercurrents swirl around the headmaster's wife currently rumored with good reason to be having an affair with Mark's roommate a street tough scholarship student. Mark however has his own problems he feels himself slowly losing his grip on reality and the staff widely believes him to be just another prep school burnout headed for an unpleasant end. So when Mark returns from a late winter ramble about the campus to find his roommate dead hanging from the ceiling of their room he's reached the end of his own metaphorical rope. Even though he's no longer sure about the line between fantasy and reality Mark is fairly certain that something is going on at the school and there's more to the death than the official declaration of suicide. With nowhere else to turn Mark calls retired FBI agent Gregor Demarkian to ask for help. Sensing the crisis in Mark's dulled voice Demarkian arrives to find Mark in dire physical and mental state and a school only too eager to sweep his roommate's death under the rug. In what quickly

becomes one of the most complex and challenging cases in his career Demarkian must untangle truth from fiction fantasy from reality before another life is lost **The Headmaster's Wife** Jane Haddam,2005 The Headmaster's Wife Richard A.
