The Heart Of Mormonism:

The Heart of Mormonism John Henry Evans,1935 Supplement to the Heart of Mormonism Enoch Ernest Bramwell,1935 The Mormon Culture of Salvation Douglas J. Davies,2018-12-07 The Mormon Culture of Salvation presents a comprehensive study of Mormon cultural and religious life offering important new theories of Mormonism one of the fastest growing movements and thought by many to be the next world religion Bringing social scientific and theological perspectives to bear on the Church of Jesus Christ of Latter day Saints Douglas Davies draws from theology history of religions anthropology sociology and psychology to present a unique example of a truly interdisciplinary analysis in religious studies Examining the many aspects of Mormon belief ritual family life and history this book presents a new interpretation of the origin of Mormonism arguing that Mormonism is rooted in the bereavement experience of Joseph Smith which influenced the development of temple ritual for the dead and the genealogical work of many Mormon families Davies shows how the Mormon commitment to work for salvation relates to current Mormon belief in conversion and to traditional Christian ideas of grace The Mormon Culture of Salvation is an important work for Mormons and non Mormons alike offering fresh insights into how Mormons see the world and work for their future glory in heavenly realms Written by a non Mormon with over 30 years research experience into Mormonism this book is essential reading for those seeking insights into new interdisciplinary forms of analysis in religion as well as all those studying or interested in Mormonism and world religions Douglas J Davies is Professor in the Study of Religion in the Department of Theology Durham University UK He is the author of many books including Death Ritual and Belief Cassell 1997 Mormon Identities in Transition Cassell 1994 Mormon Spirituality 1987 and Meaning and Salvation in Religious Studies Brill 1984 **Mormonism and the Mormons** Alonzo Mansfield Bullock,1898

Mormonism Unveiled John Doyle Lee,1882 **Bioethics Yearbook** B. Andrew Lustig,1997-03-31 As the field of bioethics has matured increasing attention is being paid to how bioethical issues are treated in different moral and religious traditions and in different regions of the world It is often difficult however to obtain timely information about these matters The Bioethics Yearbook series analyzes how such issues as new reproductive techniques abortion maternal fetal conflicts care of seriously ill newborns consent confidentiality equitable access cost containment withholding and withdrawing treatment euthanasia the definition of death and organ transplantation are being discussed in different religions and regions Volume 5 discusses theological developments from 1992 to 1994 in Anglican Baptist Catholic Hindu Jehovah's Witness Jewish Latter Day Saint Lutheran Methodist Muslim Pentecostal and Presbyterian traditions **Mormonism** Nelson Winch Green,1872 *Jacob-Words of Mormon Through a Biblical Lens* David Liscum, What happens when the claims of the Book of Mormon are tested against the unshakable truth of Scripture In Jacob Words of Mormon Through a Biblical Lens David Liscum carefully examines the books of Jacob through Words of Mormon and exposes their contradictions with the Bible Jewish history and the gospel of Jesus Christ With clarity and conviction Liscum shows how Joseph Smith's writings collapse

under the weight of their own inconsistencies whether it's Nephi's counterfeit priesthood temples built outside God's covenant or the reversal of Jacob's condemnation of polygamy Drawing on Scripture at every turn this book uncovers the theological errors anachronisms and historical blunders that reveal the Book of Mormon as a man made invention rather than divine revelation Yet the purpose is not mockery but love to call Latter day Saints out of deception and into the freedom and hope of the true gospel If you've ever wrestled with questions about Mormonism this book provides a bold Bible anchored resource that contrasts the false promises of Joseph Smith with the finished work of Jesus Christ For seekers of truth students of theology or anyone longing to reach LDS friends and family with the good news of Christ Jacob Words of Mormon Through a Biblical Lens is both a refutation of error and a call to the light of Scripture *The Rocky Mountain Saints: a Full and Complete History of the Mormons, Etc* T.
