The Healthy Church:

The Healthy Churches' Handbook Robert Warren, 2014-12-09 A practical guide that helps churches identify their strengths and weaknesses and discover what action to take in order to develop the health of their church. It focuses on the quality of the church's life rather than just the numbers attending. **Becoming a Healthy Church** Stephen A. Macchia, 2003-11 A healthy church is possible. Here are ten traits to help you diagnose the state of your church and start it down the path to improvement. **The Healthy Church** Bob Whitesel, 2013 Can an ordinary church become an uncommonly healthy church? Absolutely. But it won't happen automatically. Many average ordinary churches allow their health to deteriorate to the point that they no longer have the heart to grow strong again. How do some churches fend off this heart deterioration to become uncommonly healthy churches? Professor and church growth consultant Bob Whitesel set out to answer just that question. How can a church strengthen its heart and what are healthy churches doing differently to remain vibrant, flexible and healthy as their culture and community changes around them? After two years of research with churches that have not only survived but thrived, The Healthy Church is Dr. Whitesel's answer to that question. In addition to practical biblical teaching based on the latest research, Whitesel offers seven exercises to help strengthen your church's heart. Questions for personal or group study are also included. **The Measure of a Healthy Church** Gene A. Getz, 2008-09-01 In a world of competing voices about what church is all about, Gene Getz with the wisdom God has granted him over decades of ministry provides a solidly grounded and thoroughly biblical approach to how God assesses the strength, health and maturity of a local church. Previously titled *The Measure of a Church*, He addresses The definition of the church, The standard of measure by which the church should be defined, Is it centered on Christ, Does it display the fruit of the Spirit, Is it growing in its ability to display faith, hope and love, How does one measure leadership, How does one measure worship, What is the one ultimate standard the church is measured by. **The Healthy Church** Alan Hosch, 2022-04-25 This book takes the reader on a journey of two churches: the unhealthy church and the healthy church. Divided into two parts, the first is the unhealthy church. Each chapter defines and identifies what makes a church unhealthy. The second part is in contrast to the first part: What makes a church healthy? **What Is a Healthy Church?** Mark Dever, 2024 Guides both pastors and lay members to recognize key characteristics of a healthy church and then challenges each person to do his or her part in developing those characteristics in the local church body. **What Is a Healthy Church Member?** Thabiti M. Anyabwile, 2024-10-08 Pastor and Author Thabiti M. Anyabwile Empowers Readers to Actively Contribute to the Vitality of the Local Church. God wants Christians to experience the local church as a home more profoundly wonderful and meaningful than any other place on earth. To achieve this, all believers should play an active, intentional role in the body of Christ. But what does it mean to be a healthy church member? In this 9Marks guide, pastor Thabiti Anyabwile studies God's word to show readers how they can labor for the health of their church. Peter Wagner,1996 Oftentimes as we seek health and growth for our churches we overlook the very things that are our potential downfall In The Healthy Church renowned church growth specialist Dr C Peter Wagner examines nine diseases that infect churches and can cause spiritual death If we can detect these diseases asserts Wagner and counteract their negative effects we can grow healthy vibrant Christ directed churches If we can detect the negative forces that are operating in our churches the positive forces tend to take care of themselves The Healthy Church gives you practical advice on how to detect such negative forces and cure the disease before it kills your Body *The Healthy Church* Jason Pfledderer,2024-03-12 The American church is in trouble it seems that it has forgotten that its mission is to be salt and light in a dark world It has forgotten that the task Jesus gave to the church was to make disciples of all people As the darkness in the culture continues to deepen many churches are embracing the darkness rather than being a beacon of light to a lost and dying world Too many Christians have become used to living in a world that has lost its grasp on moral and spiritual values Has the church forgotten that it is called to pursue holiness preparing to be the spotless bride of Christ We cannot go back to casual and complacent Christianity ever again We cannot go back to just doing church without really making an impact We have to move forward as a healthy church for Christ How do we do that This book will help you understand how we can be the healthy church of Christ that God wants us to be Healthy Churches in a Sick World Howard Foltz,2002-11 **Developing Healthy Churches** Robert Warren,2012 Developing Healthy Churches is an utterly

Peter Wagner,2001-01-11 Is your church healthy and growing or stagnant and dying If your church is afflicted with remnant theology spiritual naval gazing pastoral timidity hyper cooperativism or terminal ethnikitis changes are it's already dying on the vine On the other hand if your church is growing it's probably a healthy church Healthy churches like healthy people says the author exhibit certain vital signs Wagner has his own list of 7 signs that lead can be taken as leading to good health and gives many illustrations of churches that exhibit and or don't exhibit those signs Back cover *What Is a Healthy Church? [健康的教会成员](#) (*What Is a Healthy Church Member?*) (Simplified Chinese) Thabiti Anyabwile, 2014-11-14 What Is a Healthy Church Member takes its cue from Mark Dever's book *What Is a Healthy Church* which offered one definition of what a healthy church looks like biblically and historically. In this new work, pastor Thabiti Anyabwile attempts to answer the natural next question: What does a healthy church member look like in the light of Scripture? God intends for us to play an active and vital part in the body of Christ the local church. He wants us to experience the local church as a home more profoundly wonderful and meaningful than any other place on earth. He intends for his churches to be healthy places and for the members of those churches to be healthy as well. This book explains how membership in the local church can produce spiritual growth in its members and how each member can contribute to the growth and health of the whole.
