Explorer Benedict Allen, 2022-03-03 What does it mean to be an explorer in the twenty first century This is the story of what first led Benedict Allen to head for the farthest reaches of our planet at a time when there were still valleys and ranges known only to the remote communities who inhabited them It is also the story of why thirty years later he is still exploring Benedict decides to journey back to a clouded mountain in New Guinea to find an old friend called Korsai and to fulfil a promise they made as young men Explorer tells the story of what it means to be lost and found

The Explorer Cleveland Museum of Natural History, 1981 **Explorer Travellers and Adventure Tourism** Jennifer Laing, Warwick Frost, 2014-08-04 This book examines the nexus between exploring and tourism and argues that exploration travel based heavily on explorer narratives and the promises of personal challenges and change is a major trend in future tourism In particular it analyses how romanticised myths of explorers form a foundation for how modern day tourists view travel and themselves Its scope ranges from the Golden Age of imperial explorers in the 19th and early 20th centuries through the growth of adventure and extreme tourism to possible future trends including space travel The volume should appeal to researchers and students across a variety of disciplines including tourism studies sociology geography and history
