

Handbook of Jewish Liturgy

There are a number of books that describe
the meaning of, and the proper manner of
performing, the various services of the Jewish
religion. It is not only important to know
the proper manner of performing the services,
but also to know the meaning of the words
which are used. This book is a handbook
of Jewish Liturgy.

By Rabbi Aryeh Kaplan

Kabbalistic Teachings of the Female Prophets J. Zohara Meyerhoff Hieronimus, 2008-07-21

The spiritual teachings of Israel's biblical prophetesses from a kabbalistic perspective Explores the lives and symbolic significance of seven female prophets Sarah Miriam Devorah Chanah Avigail Chuldah and Esther Uses the gematria of Jewish metaphysics to demonstrate that prophecy is a mystical initiatory path by which Divine Will is made known not only a tool for telling the future Presents practical applications of kabbalistic teachings for spiritual development The seven prophetesses of Israel Sarah Miriam Devorah Chanah Avigail Chuldah and Esther lived between 1800 and 350 BCE Their combined lives reflect a kabbalistic path of spiritual evolution that is as pertinent to our lives today as it was for the biblical communities in which they lived From her studies of the Torah and classical gematria Zohara Hieronimus shows that each prophetess is linked to a Sefirah on the kabbalistic Tree of Life from creation Sarah through learning correct moral action Devorah to the promise of redemption and ultimately resurrection Esther Using the stories of their lives and teachings Hieronimus reveals the relationship of each prophetess to the seven days of the week the seven sacred species of Israel the human body and Jewish holidays and rituals This book presents the kabbalistic teachings of these holy women and what they reveal about the initiatory path of individual development and redemption The seven prophetesses show that every person has a part to play in the repair of the world and Hieronimus gives a practical set of maps and spiritual guidelines for that journey

The JGuy's Guide Joseph B.

Meszler, Shulamit Reinharz, Liz Suneby, Elizabeth Suneby, Diane Heiman, 2013 What does it mean to be a young Jewish man Who am I How do I feel about myself Do I seem cool Do I fit in These overarching teen boys concerns are addressed head on through the voices of contemporary Jewish teens men and biblical and historical stories The JGuy's Guide helps young teens see how Judaism can help them navigate the often choppy waters of adolescence while it strengthens Jewish identity and pride This interactive book encourages personal reflection and discussion making it ideal for the individual teenager as well as education and discussion groups Its candid approach explores dilemmas boys face in their daily lives the pressure to excel at sports school and social life the courage to speak up when friends make questionable choices or parents act hypocritically and more Like the Talmud the book offers many perspectives and reflection questions to help boys find their own truths

The Jewish Connection to Israel, the Promised Land Eugene Korn, 2008 Illuminates the importance of Israel for Jews and examines the return to Zion as a significant theological event that can also strengthen the Christian faith A clear and accessible introduction to the meaning of Israel for the Jewish People and the world

Seventh Heaven Moshe

Mykoff, 2011-10-22 Deepen your understanding of Shabbat awaken to the possibilities and experience the day with an extra measure of holiness Seventh Heaven delves into the art of consciously observing Shabbat exploring many of the day's traditional religious practices within the context of life's spiritual dynamics With the help and wisdom of Rebbe Nachman of

Breslov one of the most important of the early Hasidic masters this guidebook offers insight into the deeper meaning and purpose of a broad range of Shabbat observances and seeks to show how each custom or law fits within the whole In accessible easy to understand language 7th Heaven is a spiritual guide for all levels of Shabbat observance If Shabbat is new to you or you've experienced it only in its popular form but would like to deepen your understanding and connection If Shabbat is something you grew up with but you were never taught the inner meaning of all the customs and laws you were told to obey If Shabbat has never been a part of your spiritual practice but you would like to learn more about the Jewish pathway to wholeness and higher consciousness Based on the teachings of Rebbe Nachman of Breslov 1772-1810 and those of his closest disciple Reb Noson the deep insights into Torah and spirituality revealed by these great Hasidic luminaries are as relevant in today's world as they were some two centuries ago when they were first taught

Handbook of American-Jewish Literature Lewis F. Fried, Gene Brown, Jules Chametzky, Louis Harap, 1988-01-26 The title is perhaps a bit deceptive for this is assuredly more than handbook might indicate Fried's anthology is a truly complex work bringing together eighteen essays of mostly uniform high quality and masses of bibliographic resources to present a comprehensive overview Fried's book does not present the original works themselves but rather culls mostly outstanding essays on the prose poetry drama and literary criticism produced by Jewish writers in America from the final decades of the last century to the present Studies in American Jewish Literature Focusing on the Jewish contribution to American writing this guide offers a comprehensive view of Jewish identity and experience in American society together with important bibliographic information for the scholar or researcher In eighteen essays written by a distinguished group of specialists it provides a wealth of fact interpretation and commentary relating to American Jewish literature criticism and other writing published since the 1880s In his introduction Fried reviews the history of American Jewish writing and the major social moral and political concerns that have affected it The essays that follow focus primarily on the literary culture created by Eastern European Jewish immigrants and their children as they shaped and were shaped by their experiences in America The first several chapters look at American Jewish fiction from 1880 to the present Drama and autobiographical works also are discussed as are American Yiddish poetry criticism and other writing Other chapters assess the influence of theology Zionism and the Holocaust on American Jewish writers as well as the relationship of their works to other literatures and international critical perspectives Themes that are explored from several perspectives include the relevance of the diaspora to the American Jewish literary imagination the forging of multiple loyalties and reconciliation into an American Jewish culture and the making of an American Jewish identity
