Tedesco,2013-09-15 Legend says that a hairy foul smelling monster haunted Winslow s Mountain a dark foreboding mass of cold gray granite covered with snow and cloaked in mystery Over the past one hundred and fifty years villages near the mountain like Hopewell had lost twelve children who mysteriously vanished in the forest below The last one disappeared forty one years ago Her name was Rachel Grant Folks said that her mother knew what had happened to her nine year old daughter If she did she took that knowledge to her grave Was she kidnapped and murdered Eaten by a bear or wolf Or was it a curse of nature something half human and half beast that roamed the forest at night looking for wayward children Rachel s disappearance was officially entered by the constable s office below the missing person s category underneath the eleven others where it had stayed for more than four decades As for the legendary creature no one had been able to prove that it existed for no one had ever seen it But that was about to change as fourteen year old Martha McCarty would soon find out *The Haunted Mountain* Robert Ervin Howard,2020-11-15 The reason I despises tarantulas stinging lizards and hydrophobia skunks is because they reminds me so

much of Aunt Lavaca which my Uncle Jacob Grimes married in a absent minded moment when he was old enough to know better That there woman s voice plumb puts my teeth on aidge and it has the same effect on my horse Cap n Kidd which don t generally shy at nothing less n a rattlesnake So when she stuck her head out of her cabin as I was riding by and yelled Breckinri i idge Cap n Kidd jumped straight up in the air and then tried to buck me off Stop tormentin that pore animal and come here Aunt Lavaca commanded whilst I was fighting for my life against Cap n Kidd s spine twisting sun fishing I never see such a cruel worthless no good She kept right on yapping away until I finally wore him down and reined up alongside the cabin stoop and said What you want Aunt Lavaca She give me a scornful snort and put her hands onto her hips and glared at me like I was something she didn t like the smell of I want you should go git yore Uncle Jacob and bring him home she said at last He s off on one of his idiotic prospectin sprees again He snuck out before daylight with the bay mare and a pack mule I wisht I d woke up and caught him I d of fixed him If you hustle you can catch him this side of Haunted Mountain Gap

The Mystery of the Haunted Mountain Dan 'doc' Thomas,2021-02-23 Jake and his friends were warned Oh yes they were warned There was something wrong with that mountain People had disappeared without a trace up there The stories made it more attractive and Jake and his friends decided they had to go hiking and camping on the mountain to see what was there Terror and trouble are what they got when the mountain seemed to unleash its anger at them for invading its boundaries Their stay in the haunted house was bad enough but up on the haunted mountain things got even worse The aftermath of their adventure led to further investigation by a suspicious Jake What he uncovered sent shockwaves through three States and brought him face to face with death and violence From the pillars of the community to the police officers all strata of society was impacted as Jake unraveled the mystery of the haunted mountain with the help of his long time friends Along the way Jake met the girl of his dreams but would he survive long enough to develop the new relationship Loosely based upon a true story this page turning action adventure mystery will keep you thrilled throughout the book It is sometimes intense sometimes funny and always a fun ride It reminds me of the best adventure stories I used to read like Treasure Island and others KH

The Haunted Mountain Robert Ervin Howard,2014-07-28 The Haunted Mountain is a short story by Robert Ervin Howard Robert Ervin Howard January 22 1906 June 11 1936 was an American author who wrote pulp fiction in a diverse range of genres He is well known for his character Conan the Barbarian and is regarded as the father of the sword and sorcery subgenre Howard was born and raised in the state of Texas He spent most of his life in the town of Cross Plains with some time spent in nearby Brownwood A bookish and intellectual child he was also a fan of boxing and spent some time in his late teens bodybuilding eventually taking up amateur boxing From the age of nine he dreamed of becoming a writer of adventure fiction but did not have real success until he was 23 Thereafter until his death at the age of 30 by suicide Howard s writings were published in a wide selection of magazines journals and newspapers and he had become successful in several genres Although a Conan novel was nearly published into a book in 1934 his stories never appeared in book form during his

lifetime The main outlet for his stories was in the pulp magazine *Weird Tales* Howard's suicide and the circumstances surrounding it have led to varied speculation about his mental health His mother had been ill with tuberculosis his entire life and upon learning that she had entered a coma from which she was not expected to wake he walked out to his car and shot himself in the head In the pages of the Depression era pulp magazine *Weird Tales* Howard created Conan the Barbarian a character whose cultural impact has been compared to such icons as Tarzan Count Dracula Sherlock Holmes Batman and James Bond With Conan and his other heroes Howard created the genre now known as sword and sorcery spawning many imitators and giving him a large influence in the fantasy field Howard remains a highly read author with his best works still reprinted Howard spent his late teens working odd jobs around Cross Plains all of which he hated In 1924 Howard returned to Brownwood to take a stenography course at Howard Payne College this time boarding with his friend Lindsey Tyson instead of his mother Howard would have preferred a literary course but was not allowed to take one for some reason Biographer Mark Finn suggests that his father refused to pay for such a non vocational education In the week of Thanksgiving that year and after years of rejection slips and near acceptances he finally sold a short caveman tale titled *Spear and Fang* which netted him the sum of 16 and introduced him to the readers of a struggling pulp called *Weird Tales* Now that his career in fiction had begun Howard dropped out of Howard Payne College at the end of the semester and returned to Cross Plains Shortly afterwards he received notice that another story *The Hyena* had been accepted by *Weird Tales* During the same period Howard made his first attempt to write a novel a loosely autobiographical book modeled on Jack London's *Martin Eden* and titled *Post Oaks Sand Roughs* The book was otherwise of middling quality and was never published in the author's lifetime but it is of interest to Howard scholars for the personal information it contains Howard's alter ego in this novel is Steve Costigan a name he would use more than once in the future The novel was finished in 1928 but not published until long after his death
