The Healing Power Of The Sacraments:

The Healing Power Of The Sacraments Jim McManus, McManus Jim Staff, C SSR, **The Healing Power of the Sacraments** Jim McManus, 1984-12-01 Healing Through the Sacraments Michael Marsch, 1989 Sacraments are visible signs of an invisible healing medicine for immortality according to St Ignatius of Antioch The sacraments are meant to be experienced as personal encounters with Christ in his Church so that the healing we so urgently need can go forth from them The purpose of this book is to contribute to that experience **The Healing Power of the Sacraments** Jim McManus (c.s.s.r.), 1984 Be Transformed Bob Schuchts, 2017-03-03 Winner of a 2018 Catholic Press Association Award Sacraments First Place How can Christians grow spiritually in the midst of our sinfulness How can we transform our lives in a way that allows us to share in the resurrection of Jesus God has already given us the perfect solution the sacraments Whether it is the wound of past hurts the strain in our relationships or the stress of daily life we all need to be comforted and made whole by Christ In this follow up to his bestselling *Be Healed* Bob Schuchts explains how the sacraments can fuel your emotional and spiritual healing and bring you closer to God Based on more than thirty five years of experience as a therapist and decades spent in parish ministry Schuchts demonstrates how each of the seven sacraments can be a life changing encounter with Christ communicated through the power of the Holy Spirit He pairs each healing sacrament with one of the seven deadly wounds that emanated from original sin in the Garden of Eden We perpetuate and deepen those wounds each time we sin but the sacraments are God's remedy for sin They give us a way to restore us to wholeness in Christ In *Be Transformed* You'll discover how each sacrament can help you heal from wounds that can impede your relationships and sense of self worth With Schuchts's help you'll learn how Baptism makes us beloved children of God healing our wounds of rejection Holy Communion heals our wounds of abandonment by inviting us to share in Jesus abiding presence Confirmation overcomes our powerlessness through the power of the Holy Spirit Holy Orders heals wounds of confusion and disorder by re-establishing God's authority in our lives In marriage God's faithful love heals wounds of fear and mistrust Reconciliation restores purity and releases us from shame Anointing of the Sick provides enduring hope to overcome our hopelessness *Be Transformed* offers all of the tools you need for a fresh understanding of the sacraments including reflection questions scripture meditations prayers and inspiring stories You'll come away hungry for the sacraments in a way you never knew possible

101 Questions & Answers on the Sacraments of Healing, **The Healing Power of Love** John Colligan, Kathleen Colligan, Kathy Colligan, 1988 Stressing their belief that healing must begin within each person this couple shows how to find inner peace in the face of seemingly insurmountable family difficulties **The Healing Power of Faith** Will Ousler, Will Oursler, 1989 *Honest Rituals, Honest Sacraments* Joseph Martos, 2017-12-28 Honest rituals are ceremonial actions that celebrate what is actually happening in people's lives Religious rituals however often celebrate beliefs and doctrines e.g the birth of Christ God's forgiveness of sins or the gifts of the Holy Spirit that have little to do with people's experience Martos

argues that early Christian rituals were grounded in experiences such as conversion community commitment and self giving. Lacking a vocabulary to name such experiences the authors of the New Testament and other early documents resorted to metaphors such as baptism into Christ receiving the Holy Spirit forgiveness by God and the presence of Christ during worship. By the fourth century however those metaphors were taken to be unexperienced metaphysical realities rather than experienced realities. The medieval schoolmen developed philosophical explanations of what went on in church rituals and the Catholic Church continues to teach that its sacraments are automatically effective despite growing evidence to the contrary. What if religious rituals were to regain their original authenticity? What if the guiding value in designing church ceremonies was honesty rather than liturgical correctness? After liberating the reader from doctrinal constraints Martos invites Catholics into a re-visioning of the traditional sacraments and a reawakening of ritual imagination in non-Western cultures.

Introduction to the Sacraments John P. Schanz, 1983. Beginning with an exposition of religion and ritual worship as a constant in human life the author brings the reader to the Biblical statement of a loving God who gave himself to humankind through the Father's free gift of his Son to form a new family. Thus saving history comes to a climax in a sacramental Church. The author shows the sacraments to be the actualization of Christ's saving acts alive through word and rite in the world today.
