Under the Heaven Tree William Bridges, 2004 In *Under the Heaven Tree* journalist and poet William Bridges paints a rich picture of growing up in two Indiana towns Franklin and Vincennes from the 1930s through the 1950s It is the story of an unusual family of artists of a secret marriage of hidden scandal and the characters who once populated small towns including the creator of the world's only six person harmonica and a man who climbed the town monument to disarm the Civil War soldier Most of all it is a valentine to the writer's mother and father and to a long lost America *The Heaven Tree* Christopher Harman, 2013 **Tales of the Heaven Tree** Joslin, 1998-12-01 **The Tangled Fire of William Faulkner** William Van O'Connor, 1954 *The Tangled Fire of William Faulkner* was first published in 1953 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Out of the tangled fire that is the genius of William Faulkner's fiction this critical study draws as coherent and highly original view of the writer's achievement By placing Faulkner in his Mississippi background and analyzing his novels and short stories in chronological sequence O'Connor demonstrates a major thesis that sets this apart from other studies It is his interpretation that Faulkner's fiction is not all of a piece does not merely develop the conviction of the legend of the Old South but is rather marked by diversity of theme *Plant Lore, Legends, and Lyrics* Richard Folkard, 1892 *William Faulkner* Hyatt H. Waggoner, 2014-07-15 Combining explications of William Faulkner's novels and short stories with thematic analysis Hyatt H. Waggoner works from the close reading of a specific work outward to its most general meanings and relationships By this method he has made a significant contribution to the understanding of Faulkner's career and artistic achievement Waggoner examines both better and lesser known works which yield valuable insights into Faulkner's development when treated in relation to his whole body of work The author also addresses the major themes which emerge from critical analyses of individual works Faulkner's uneasy relationship with his Christian background and his unchanging conception of the role of the artist related to his changing practice as a writer Waggoner concludes that Faulkner's artistic career reflects a creatively productive but tortured and ambiguous relationship with his community
