The Hidden Places of England Peter Long, 2004 England's landscape is as diverse as its culture. It is a country with magnificent landscapes. This guide looks at the more established places of interest throughout the country but it also focuses on the more secluded and little known visitor attractions and places to stay, eat and drink. **The Hidden Places of Devon** Joanna Billing, 2003 This is the 6th edition of the very popular Hidden Places of Devon and has been completely redesigned to include a new cover and new page layouts. The Hidden Place of Devon is printed in full colour and includes detailed directional maps, eye-catching photographs and is packed with places to eat, drink and stay. The book includes all the main tourist attractions as well as concentrating on the less well known visitor attractions in this beautiful county.
