The Outboard Boater's Handbook: Advanced Seamanship and Practical Skills David R. Getchell, David Getchell, 1994. This comprehensive manual shows you how to go places and do things you never thought possible in a small outboard motorboat. A well designed ruggedly built 17 footer for instance can fish offshore circumnavigate Lake Superior and crisscross the continent on inland waterways or on a trailer pulled by the family car. Small outboards are among the most versatile boats ever developed and are far more able than you might expect. Covered here are all the popular types and some exciting alternatives as well as methods that may change your entire boating outlook. Aided by contributions from other experts veteran outboard skipper David R. Getchell Sr. offers a wealth of useful facts and special savvy that reveal for the first time in a single book the true potential of these democratic boats. 20 feet and under. Here are the means to understand what can be done and the way to do it safely including how to judge a boat's potential and capabilities based on design and construction how to rebuild an older boat how to handle a little boat in big seas surf or shallow water how to navigate how to read the weather how to head upriver or offshore how to trailer your boat how to manage and equip it for camp cruising on a nearby lake or for subarctic exploration and how to care for the boat and motor.

If you are serious about that extended voyage read *The Voyager's Handbook*. Sailing. Every now and then a new voice emerges in the world of sailing literature that stands out a voice that is both clear and of lasting quality. The appearance of such a new voice is something of an event and that's what we'd call the publication of *The Voyager's Handbook*. Blue Water Sailing. This inspirational and comprehensive manual leads you step by step through every aspect of choosing planning and following the voyager's life. Using three example boats representing three cruising lifestyles. Simplicity Moderation and Highlife. Beth Leonard helps make your bluewater dreams come true whether you're sailing on a shoestring or a CEO's pension. Starting with the things you can't do without an enthusiastic crew a seaworthy boat and of course money. Leonard offers sage advice on how to select crewmembers who are truly committed to the voyage how to choose the right boat for you and how to find just the right approach to financing your voyage and making the most of every dollar spent. Managing life from a floating home and keeping that home livable seaworthy and safe requires you to become among other things the ship's purser engineer doctor cook and cruise director. You'll discover how to prepare for these new roles and put necessary equipment and arrangements in place before you untie your docklines. This exquisitely detailed guide also helps you master the skills you'll need to handle a boat at sea with a small crew including Weather
