## Story Of Exodus:

*The Book of Exodus* Thomas Dozeman, Craig A. Evans, Joel N. Lohr, 2014-11-10 Written by leading experts in the field The Book of Exodus Composition Reception and Interpretation offers a wide ranging treatment of the main aspects of Exodus Its twenty four essays fall under four main sections The first section contains studies of a more general nature including the history of Exodus in critical study Exodus in literary and historical study as well as the function of Exodus in the Pentateuch The second section contains commentary on or interpretation of specific passages or sections of Exodus as well as essays on its formation genres and themes The third section contains essays on the textual history and reception of Exodus in Judaism and Christianity The final section explores the theologies of the book of Exodus **The Life of Moses** John Van Seters, 1994 Peeters 1994 **Finally Free** Will Kassner, 2022-03 The book of Exodus delightfully retold at an elementary level for emerging readers *The Second Book of the Bible* Benno Jacob, 1992 Notes on the book of Exodus Charles Henry Mackintosh, 2022-09-15 The following book is a Bible commentary on the Book of Exodus It is the second book of the Bible and narrates the story of the Exodus in which the Israelites leave slavery in Biblical Egypt through the strength of Yahweh who has chosen them as his people The Israelites then journey with the prophet Moses to Mount Sinai where Yahweh gives the 10 commandments and they enter into a covenant with Yahweh who promises to make them a holy nation and a kingdom of priests on condition of their faithfulness He gives them their laws and instructions to build the Tabernacle the means by which he will come from heaven and dwell with them and lead them in a holy war to possess the land of Canaan the Promised Land which had earlier according to the story of Genesis been promised to the seed of Abraham Exodus T. Desmond Alexander, 2017-06-15 Recounting the greatest event of divine salvation in the Old Testament the book of Exodus is not merely a story about the Lord God rescuing enslaved Israelites from the power of a despotic and xenophobic dictator More importantly it highlights how a compassionate and justice seeking God transforms the lives of victimized people so that they may experience life in all its fullness in his holy presence The story of Exodus illustrates an all important paradigm for understanding the nature and goal of divine salvation anticipating an even greater exodus that will come through Jesus Christ Desmond Alexander grapples with the varied complexities of the carefully constructed literary collage of Exodus As an integral part of the longer narrative that runs from Genesis to 2 Kings Exodus recounts a dramatic and unified story of how the Israelites come to a deeper and closer relationship with the Lord God Narrating past events Exodus speaks to contemporary society revealing a God who passionately desires to draw people into an intimate and exclusive relationship with himself This detailed commentary sheds light on one of the most influential books ever written The Book of Exodus Joel S. Baden, 2019-04-30 An essential biography of one of the Bible s most powerful and inspiring books Exodus is the second book of the Hebrew Bible but it may rank first in lasting cultural importance It is here that the classic biblical themes of oppression and redemption of human enslavement and divine salvation are most dramatically expressed Joel Baden tells the

story of this influential and enduring book tracing how its famous account of the Israelites journey to the promised land has been adopted and adapted for millennia often in unexpected ways Baden draws a distinction between the Exodus story and the book itself which is one of the most multifaceted in the Bible containing poems law codes rituals and architectural plans He shows how Exodus brings together an array of oral and written traditions from the ancient Middle East and how it came to be ritualized in the Passover Seder and the Eucharist Highlighting the remarkable resilience and flexibility of Exodus Baden sheds light on how the bestowing of the Torah to Moses on Mount Sinai divided Jewish and Christian thinkers on the importance of Exodus during the Reformation and the American Revolution and on its uses in debates for and against slavery He also traces how the defining narrative of ancient Israel helped to define Mormon social identity the American civil rights movement and liberation theology Though three thousand years old the Exodus as history as narrative as metaphor as model continues to be vitally important for us today Here is the essential biography of this incomparable spiritual masterpiece

*A Guide to the Book of Exodus* John H. Dobson, 1978      *A Commentary on the Book of Exodus* Umberto Cassuto, 1967      *The Exodus* Peter Feinman, 2021-10-13 Did the Exodus occur This question has been asked in biblical scholarship since its origin as a modern science The desire to resolve the question scientifically was a key component in the funding of archaeological excavations in the nineteenth century Egyptian archaeologists routinely equated sites with their presumed biblical counterpart Initially it was taken for granted that the Exodus had occurred It was simply a matter of finding the archaeological data to prove it So far those results have been for naught The Exodus An Egyptian Story takes a very real world approach to understanding the Exodus It is not a story of cosmic spectacles that miraculously or coincidentally occurred when a people prepared to leave Egypt There are no special effects in the telling of this story Instead the story is told with real people in the real world doing what real people do Peter Feinman does not rely on the biblical text and is not trying to prove that the Bible is true He places the Exodus within Egyptian history based on the Egyptian archaeological record It is a story of the rejection of the Egyptian cultural construct and defiance of Ramses II Egyptologists not biblical scholars are the guides to telling the Exodus story What would you expect Ramses II to say after he had been humiliated If there is an Egyptian smoking gun for the Exodus how would you recognize it To answer these questions requires us to take the Exodus seriously as a major event at the royal level in Egyptian history

*Stand in Wonder - The Story of the Exodus*, 2022-10-17 A story based commentary on Exodus 1-15 Produced for the 2023 Australasian Christadelphian Youth Conference to assist attendees with their personal study Stand in Wonder takes the reader on a journey through the Exodus following the flow of the narrative It is punctuated with original artwork engaging infographics and interesting tangents

*The Exodus Reality* Scott Alan Roberts, John Richard Ward, 2013-10-21 An intriguing narrative A complementary blend of scripture ancient legends history and archaeology it will stir your curiosity Lorraine Evans Egyptologist and author of *Burying the Dead* In this groundbreaking work the authors reexamine humanity's most enduring account of bondage

emancipation and freedom The Great Exodus is the story of how one man empowered by divine epiphany brought the mighty ancient kingdom of Egypt to its knees For thousands of years this story has bolstered the faithful of three major religions though little historical data confirms it So the question must be asked Did it ever really happen Roberts a historian and theologian and Ward an archaeologist Egyptologist and anthropologist dig deeply into historical records to answer the most vexing questions Is there any historical evidence for the biblical account of the Great Exodus Was Moses a real person Where is the Biblical Mount Sinai What is the Ark of the Covenant and where did it come from Why did Moses write about the Serpent and the Nephilim Is there a Templar and Masonic connection to the events and personages in the story Did the Exodus take place under Amenhotep II or Amenhotep III two pharaohs of the same royal house separated by two generations and eighty odd years Or were Thutmose III Hatshepsut and Amenhotep Son of Hapu at the core of the action The authors present two opposing yet strangely interlaced historical accounts for the Exodus naming the historical pharaohs and surprising candidates for the historical Moses While Roberts presents an account that finds its moorings in the efficacy of scriptural historicity Ward presents a new and completely unique theory for the Exodus and its cast of characters **A**

**Commentary on Exodus** David Pawson, 2019-06-08 The word exodus means going out and it is essentially an escape story All escape stories are exciting and interesting to read and the book of Exodus is no exception Here we have the account of the greatest escape in human history A military expert has sat down to work out the kind of problems facing this escape You realise that there were probably over two million people men women and children to say nothing of thousands of animals They lived in the most fortified country that the world had then seen Its borders were held by rows of fortresses The book of Exodus is not just an escape it is an elopement For it is the story of a runaway marriage the true story of a covenant made between God and his people God said Let my people go that they may come and serve me It is not just to be saved from Pharaoh but to be saved to God This is the story of the book of Exodus how they began the journey that was to lead to the land of blessing **Exodus Through the Centuries** Scott M. Langston, 2008-05-12 This bible commentary looks at how Exodus has influenced and has been influenced by history religion politics the arts and other forms of culture over the ages A bible commentary tracing the reception history of Exodus from Old Testament times through the Patristic and Reformation periods to the present day Considers the ways in which Exodus has influenced and has been influenced by history religion politics the arts and other forms of culture in Jewish Christian and secular settings Looks at how Exodus has served as a tool of liberation and tyranny in a variety of settings Shows how Exodus has been used to shape the identities of individuals and groups Discusses the works of current and past poets musicians film makers authors and artists influenced by Exodus Addresses uses of Exodus related to American and European history such as the Glorious Revolution colonialism the American Revolution Civil War Civil Rights Movement African Americans and Native Americans as well as uses by prominent and little known historical figures Considers the impact of the Ten Commandments and other laws in legal political and

religious contexts The Blackwell Bible Commentary series is supported by a website at [www.bbibcomm.net](http://www.bbibcomm.net) Paul and his Story Sylvia Keesmaat, 1999-01-08 The author discusses Paul's reading of his scriptures by exploring his intertextual echoes and allusions to exodus themes and motifs in Israel's scriptures and the literature of Second Temple Judaism This exploration reveals that Paul evoked the exodus narrative in a way that is both faithful to the tradition and innovative for his new situation in Christ Paul affirms and transforms the tradition in ways that speak to the tensions present in both Galatians and Romans An Outline of the Future Religion of the World Richard Morris Smith, 1884 Go Out and Meet God Godfrey William Ashby, 1998 This new commentary on the book of Exodus attempts to show how this Old Testament book is of continuing significance to readers today explaining why the Exodus event is central to the gospel of Jesus Christ and to the faith of believers in our age The True Story of the Exodus of Israel Heinrich Brugsch, 1880 **Exodus** Douglas K. Stuart, 2006 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **The American Catalog**, 1896
