## **Story Of Albert Schweitzer:**

**A Treasury of Albert Schweitzer** Albert Schweitzer,2014-12-02 Collected here in a single volume are the most important philosophical writings of Albert Schweitzer one of the greatest thinkers and humanitarians of our time Carefully chosen from among his many written works the selections in this anthology illuminate and amplify Dr Schweitzer s cardinal principle of belief a reverence for life Among the important and revealing works included are Pilgrimage to Humanity which outlines his philosophy of culture the early influences in his life and his ideal of world peace The Light Within Us one of the twentieth century s most significant and beautiful statements of one man s faith in his fellow man and Reverence for Life which states with great clarity and conviction the essence of Schweitzer s wisdom Because of his legendary fame as a medical missionary other equally important and outstanding aspects of Schweitzer s life are not as well known Readers of this book will realize that Albert Schweitzer was a truly creative thinker whose concern with the problems of the human spirit and whose methods of expressing this concern have raised him to the stature of one of the world s foremost philosophers

*The Story of Albert Schweitzer* Anita Daniel,1957 The great doctor and humanitarian comes to life in this biography

**Out of My Life and Thought** Albert Schweitzer,1998 Presents an English translation of the memoirs of Albert Schweitzer winner of the 1952 Nobel Peace Prize in which he discusses aspects of his life and career and pays tribute to the people who helped him along the way

**The Value of Dedication - The Story of Albert Schweitzer** Spencer Johnson (M. D.),1979 *Albert Schweitzer* Nils Ole Oermann,2016-11-10 This biography provides a versatile insight into the life work and thought of Albert Schweitzer 1875 1965 Nils Ole Oermann offers a detailed account of the multifaceted life of Albert Schweitzer who was a theologian organist philosopher physician and medical missionary Schweitzer s life was not a straight path from the parsonage in Alsace to the University of Strasbourg then on to the hospital in Lambarene and ending with the Nobel Peace Prize in Oslo In every life there are highs and lows victories and defeats and Schweitzer s life was no exception These ups and downs however are barely discernible in Schweitzer s 1931 autobiography Out of my Life and Thought where he presents his life as an enormous purposefully constructed edifice the cornerstone of which was the principle of Reverence for Life and the almost inevitable outcome of which was the Nobel Peace Prize To date biographers journalists and hagiographers have told and retold the story of Schweitzer following this basic pattern with relatively little critical modification Their Schweitzer was a man whose demeanour and charisma set him apart from other intellectual giants of his time But not everything Schweitzer records in his autobiography corresponds with what is found in the archives and in his unpublished writings It is on the basis of these historical sources and more recent publications that Oermann attempts to sketch a more realistic picture of Albert Schweitzer Oermann draws on newly uncovered personal papers which shed light on Schweitzer s dealings with the East German authorities and his role in the anti nuclear movement He also builds on a number of interviews from those associated with Schweitzer most notably his daughter

*Story of Albert Schweitzer* Anita

Daniel,1975    Albert Schweitzer James Brabazon,1975 James Brabazon updates his critically acclaimed biography of humanitarian Albert Schweitzer to include a wealth of recently discovered documents including the letters between Schweitzer and Helene Bresslau written during the ten years before their marriage Brabazon's research has also included recently released documents from the State Department regarding Schweitzer's battle with the United States Atomic Energy Commission to halt H bomb tests Copyright Libri GmbH All rights reserved    Answering the Call Ken Gire,2013-03-18 A Christian author's inspiring biography of the Nobel Peace Prize winning theologian and physician who built a hospital in French Equatorial Africa As a young man Albert Schweitzer seemed destined for greatness His immense talent and fortitude drove him to become one of twentieth century Europe's most renowned philosophers theologians and musicians Yet Schweitzer shocked his contemporaries by forsaking worldly success and embarking on an epic journey into the wilds of French Equatorial Africa vowing to serve as a lifelong physician to the least of these in a land rife with famine sickness and superstition Schweitzer was honored with a Nobel Peace Prize in 1952 His legacy endures in the thriving African hospital community that began in a chicken coop the millions who have drawn inspiration from his example and the timeless wisdom and compassion of his writings In this vividly narrated biography Ken Gire sheds new light on Schweitzer's faith in action ethic and his commitment to honor God by celebrating the sacredness of all life    **The Light Within Us** Albert Schweitzer,2019-05-07 The classic collection of timeless quotations from the Nobel Peace Prize winning missionary theologian and international bestselling author Famous for founding the Albert Schweitzer Hospital in Lambaré in what is now the West African country of Gabon Albert Schweitzer was an accomplished theologian physician philosopher music scholar international bestselling author and even a virtuoso organist His many pursuits and achievements were inspired by his ethical philosophy of Reverence for Life which he wrote about extensively in his many books and articles In *The Light Within Us* Schweitzer's longtime friend Richard Kik has compiled many of his most insightful and inspiring quotations Drawn from his many writings these quotations share Schweitzer's thoughts on service gratitude God missionary work and much more A wonderful introduction to the breadth of Schweitzer's thought this slim volume contains an abundance of wisdom

**Reverence for Life** Albert Schweitzer,1979 Though I was well aware that Albert Schweitzer preached a great deal both before and after he became a physician I never encountered any of his sermons until I was privileged to read the present collection prior to publication What I find in this increases my sense of wonder though it does not increase my surprise It pleases me to find that like other speakers and writers the famous missionary doctor preached many of his ideas before they were cast into essay form thus following the experimental method On the whole the sermons seem contemporary Very early in the twentieth century he understood that Christianity is not a merely spiritual religion and that the popular arguments against missions are superficial ones What pleases me most about the new publication is its revelation of the author's deep personal piety D Elton Trueblood from the Foreword    **The Great doctor** Nancy Martin,1983    Albert Schweitzer James

Brabazon,2022-09-01 The second edition of this biography of humanitarian Albert Schweitzer has been updated to include documents discovered since the work was originally written including the letters between Schweitzer and Helene Bresslau written during the ten years before their marriage This correspondence tells of a complicated love story and throws a completely new light on Schweitzer's personality and the genesis of his decision to go to Africa The author's ongoing research has also included more recently released documents from the State Department regarding Schweitzer's battle with the United States Atomic Energy Commission to halt H bomb tests     **Albert Schweitzer** Jean Pierhal,Robert Jungk,1957

Albert Schweitzer Robert Jungk,2003-01-01     Prophet in the Wilderness-The Story of Albert Schweitzer

Hermann-Prophet in the Wilderness-The Story of Albert Schweitzer Hagedorn,1994     **Schweitzer** George N. Marshall,David Poling,2000 He was an accomplished organist and interpreter of Bach a crusader for world peace and a winner of the Nobel Peace Prize He made his philosophy of reverence for life an ethic for the world The hospital he founded in Lambaré still in operation in present day Gabon is a model of what Europeans might have given to Africans throughout colonial history But above all Albert Schweitzer 1875 1965 was a talented and compassionate human being This biography probes beyond the timeworn image of Schweitzer as the old man in the pith helmet to reveal the philosopher scholar husband father humanitarian and liberal rebel in a conservative church     **Albert Schweitzer, an Adventurer for Humanity** Harold E.
